FOR AGENTS · WORLDWIDE

Bergen County, New Jersey Jun 19, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Global Real Estate Pro announces the launch of its revolutionary **Lead Sphere Division**, a proprietary internal mobile platform that delivers **exclusive, free, marketable leads** to every agent in the company. This breakthrough marks the first time a real estate brokerage has deployed individualized, mobile-first lead technology designed to give each agent their own **private, protected lead ecosystem**.

A NEW ERA OF AGENT EMPOWERMENT

The Lead Sphere Division provides every agent with:

- **Exclusive Lead Ownership** — Leads are assigned directly to the agent and locked to their profile.
- **Free Marketable Leads** — No cost, no referral fees, no competition.
- **Automated Nurture Technology** — Built-in text sequences, email drips, reminders, and engagement scoring.
- **Mobile Productivity Tools** — Call, text, email, track, and manage leads from anywhere.
- **Performance Insights** — Smart analytics that increase accountability and conversion.

“This technology fundamentally changes how agents build their business,” said **Peter Ingrasselino**, Executive Leader at Global Real Estate Pro. “Agents receive a dedicated pipeline of free, marketable leads that belong solely to them. No rotation. No competition. Just pure opportunity backed by automation and mobile convenience.”

BROKERAGE-LEVEL ADVANTAGE

The Lead Sphere Division strengthens the brokerage through:

- **Unmatched Recruiting Power**
- **Higher Agent Retention**
- **Increased Production Per Agent**
- **Data-Driven Leadership Insights**
- **A Stronger, More Unified Culture**

“Lead Sphere is not just a tool — it’s a commitment to our agents’ long-term success,” Ingrasselino added. “Global Real Estate Pro is redefining what a modern brokerage should provide.”
