

IssueWire Announces Mid-Year Media Momentum Campaign for Press Release Distribution Services

IssueWire has announced its Mid-Year Media Momentum campaign to help businesses, startups, creators, and organizations strengthen their media visibility ahead of Q3, with 10% savings on eligible press release distribution services from June 8 to June 15,

The advertisement features a woman sitting in a blue armchair, looking at her smartphone. To her right is a large smartphone displaying the IssueWire app interface, which includes a 'PRESS RELEASE DISTRIBUTION NETWORK' section and a 'Statistics' graph. A red circular badge with '10% Discount' is prominently displayed in the foreground. The background is a dark blue gradient with the IssueWire logo and the text 'Mid-Year MEDIA MOMENTUM' in large, bold letters. A coupon code 'MYMM26' is shown in a white box, and the campaign dates 'From 8th-15th June 2026' are displayed in a yellow banner at the bottom.

New York City, New York Jun 8, 2026 ([IssueWire.com](https://www.issuewire.com)) - IssueWire has announced its **Mid-Year Media Momentum** campaign to help **businesses, startups, creators, and organizations** strengthen their **media visibility** ahead of **Q3**, with **10% savings** on eligible [press release distribution services](#) from **June 8 to June 15, 2026**.

The campaign has been introduced as many companies begin reviewing their **first-half performance** and preparing communication strategies for the second half of the year. From **product launches** and **business milestones** to **service updates, event announcements, and brand expansion news**, the initiative is designed to support organizations looking to share timely updates with wider digital audiences.

Clients can participate in the **Mid-Year Media Momentum** campaign by selecting an eligible press release distribution package on IssueWire and applying the coupon code **MYMM26** during checkout. The offer remains available until **June 15, 2026**.

IssueWire offers multiple press release distribution package categories, including **Tier 1, Tier 1 Pro, Tier 2, and Tier 2 Pro**. These packages are structured to support different communication goals, from online publishing to broader distribution across **news sites, media platforms, and U.S.-focused**

channels.

The company's distribution network includes more than **195 news sites and media platforms**, helping clients circulate their announcements across credible online destinations. Depending on the selected package, clients may also access features such as **news inclusion, U.S. nationwide distribution, multimedia support, embedded links, scheduled distribution, mobile distribution, SEO audit support, Mass Ping, social media buzz**, and detailed **campaign analytics**.

As digital communication continues to play an important role in **brand reputation, audience trust**, and **market visibility**, IssueWire's **Mid-Year Media Momentum** campaign provides businesses with a timely opportunity to organize their PR activity before entering the next quarter.

Clients interested in using the offer can visit the official **IssueWire** website, choose a suitable **press release distribution package**, and apply the coupon code **MYMM26** before the campaign ends on **June 15, 2026**.
