Under the theme “Moving Forward with Energy and Unity,” the event will take place from June 5 to June 7, 2026, in the renowned South African city of Cape Town. The initiative aims to recognize the outstanding contributions made by top-performing agents to team development while further enhancing communication, leadership growth, and team cohesion among key leaders. More than just a reward trip for exceptional members, this event represents an important step in fostering team culture and developing leadership excellence.

According to the Maivest South Africa Team, as the organization continues to expand, maintaining team vitality, strengthening leadership collaboration, and enhancing members’ sense of belonging have become essential factors for sustainable growth. The Cape Town Soul Journey was created with these goals in mind, providing a meaningful platform where team members can build stronger relationships, deepen trust, and develop closer cooperation through shared experiences and open communication.

During the event, participants will visit Table Mountain, one of Cape Town’s most iconic landmarks, to experience its breathtaking natural beauty.
