

Marie Nirva Louis-Paul, DNP, MSN, FNP-BC, RN: Advancing Compassionate Multispecialty Care Through Service & Leadership

Montefiore Medical Center Clinician Brings Over 35 Years of Global Nursing Experience Across Cardiology, Transplant Care, and Advanced Practice Nursing

New York City, New York Jun 3, 2026 ([IssueWire.com](https://www.issuewire.com)) - Marie Nirva Louis-Paul, DNP, MSN, FNP-BC, RN, is a highly accomplished Doctor of Nursing Practice with more than 35 years of diverse healthcare experience spanning continents, specialties, and clinical environments. Known for her dedication to patient-centered care and lifelong learning, Dr. Louis-Paul has built a career defined by clinical excellence, compassion, and a deep commitment to improving health outcomes for complex patient populations.

She began her nursing journey in Haiti, where she earned her initial nursing degree from the École Nationale Des Infirmières de Port-au-Prince in 1991. Her early clinical experience began in neonatal care, where she developed a strong foundation in patient advocacy, precision care, and emotional support for vulnerable patients and families. In 1999, she migrated to the United States, bringing with her a strong passion for nursing and an unwavering commitment to advancing her clinical expertise through continuous education and professional growth.

Currently, Dr. Louis-Paul serves at Montefiore Medical Center in the Bronx, where she has been a key member of the cardiology and transplant teams for nearly two decades. Over her 19-year tenure, she has become a trusted clinician within the organization, contributing to high-level patient care and multidisciplinary collaboration. Her clinical expertise spans abdominal transplantation, including kidney and liver care, cardiology diagnostic testing, neonatal nursing, gynecology, and medical-surgical nursing, reflecting a rare breadth of experience across multiple specialties.

“What I enjoy most about practicing medicine is the opportunity to care for others and make a meaningful difference in their lives,” said Dr. Louis-Paul. “I love being able to combine my clinical expertise with empathy, faith, and a holistic approach, addressing the physical, mental, and emotional aspects of health. Seeing patients feel understood, supported, and empowered is the most rewarding part of my work.”

A dedicated lifelong learner, Dr. Louis-Paul has consistently pursued advanced education while maintaining an active full-time clinical role. After 17 years of nursing practice, she earned her Bachelor of Science in Nursing in 2012. She went on to complete her Master of Science in Nursing at Pace University and later achieved her Doctor of Nursing Practice from Chamberlain University. Demonstrating her continued commitment to leadership and healthcare systems improvement, she is currently pursuing an MBA in Healthcare Administration at Northern Illinois University.

In addition to her clinical and academic accomplishments, Dr. Louis-Paul is actively engaged in professional organizations that support nursing excellence and advocacy. She is a member of the New York State Nurses Association (NYSNA), the Nurse Practitioner Association, the Haitian Nursing Association, and the Sigma Theta Tau International Honor Society of Nursing. Through these affiliations, she contributes to mentorship, professional development, and initiatives that strengthen patient-centered care.

Dr. Louis-Paul’s career reflects an enduring commitment to service, education, and clinical leadership. Her extensive experience across global and U.S. healthcare systems, combined with her compassionate approach to care, continues to positively impact patients, colleagues, and the broader healthcare community she serves.
