Tomah, Wisconsin Jun 15, 2026 ([IssueWire.com](https://www.issuewire.com)) - Award-winning motivational speaker and debut novelist Rohini R.D. Singh announces the release of *Awakened by Gabriel*, a contemporary romance that delves into the quiet but seismic force of unexpected love. Available now through Amazon, Barnes & Noble, Google Play Books, and Apple Books, the novel marks Singh's compelling entry into fiction drawing on her personal journey of healing, self-discovery, and transformation.

"Some loves don't arrive loudly—they arrive quietly and then change everything."

About the Book

At the heart of the story is Elena, a woman whose carefully guarded world is upended by an encounter with Gabriel, magnetic, enigmatic, and dangerously captivating. What begins as an unexpected connection deepens rapidly into something far more intense. But love rarely arrives without complication.

As Elena and Gabriel are drawn closer, they must confront the weight of the past, unspoken secrets, and the unpredictable turns of life that threaten to pull them apart. Their relationship becomes a powerful emotional journey exploring desire, trust, vulnerability, and the difficult balance between surrendering to love and protecting oneself.

Awakened by Gabriel is ultimately a story about passion, courage, and transformation, the kind of love that awakens the soul, challenges your fears, and changes the course of everything that follows.
