

Nightmaerz: A Haunting New Crimeantasy™ Series Explores the Terrifying Afterlife of Infamous Criminals

CRIMEANTASY™ SERIES
NIGHTMAERZ

R.A. LINGENFELTER

Little Rock, Arkansas Jul 1, 2026 ([IssueWire.com](https://www.issuewire.com)) - In an innovative fusion of true crime and fantasy, the much-anticipated book series, *Nightmaerz*, invites readers to explore the chilling question: What if death is only the beginning of a criminal's sentence? With its official release, *Nightmaerz* aims to redefine the genre, taking fans of true crime, podcasts, and fantasy on a gripping journey that transcends the earthly realm.

Drawing inspiration from the dark legacies of notorious figures such as Jeffrey Epstein, Aileen Wuornos, and Ted Bundy, *Nightmaerz* delves into the unsettling realities of their crimes while illuminating the boundless imagination of fantasy. Each installment is complemented by striking illustrations, bringing the haunting narratives to life in a way that resonates deeply with readers.

"*Nightmaerz* is not just a retelling of real crimes; it's an exploration of what lies beyond the grave for those who have committed unspeakable acts," said R.A. Lingenfelter, author. "In this mysterious realm, justice takes on forms that are far stranger - and often far more terrifying - than anything found on Earth."

The series invites readers into a dark and morally complex world where unseen forces monitor, judge, and dictate the fates of the guilty. As the condemned souls navigate their ultimate reckonings, the series weaves a narrative that examines the nature of evil, accountability, and the universal quest for justice.

With the rise of true crime podcasts and the genre's growing popularity, *Nightmaerz* promises to captivate both avid enthusiasts of true crime and fantasy lovers alike. The series challenges readers to confront the unsettling implications of accountability, exposing the depths of human depravity while also highlighting the enduring hope for justice - even beyond death.

Nightmaerz is available now at <https://www.ralingenfelter.com> or Amazon and readers are encouraged to embark on this chilling journey that promises not just fear, but profound reflection on the nature of crime and punishment.
