

PES School of Nursing Education Announces Michigan Board of Nursing Approved Practical Nursing (LPN) Program

Applications are now open for qualified students!

PES

SCHOOL OF NURSING EDUCATION

Grand Rapids, Michigan Jun 5, 2026 (Issuewire.com) - PES School of Nursing Education is proud to announce that its new Practical Nursing (LPN) Program has received approval from the Michigan Board of Nursing and is now accepting applications for its inaugural Fall 2026 cohort.

This milestone represents a significant expansion of PES School of Nursing Education's commitment to

addressing Michigan's healthcare workforce shortage by providing accessible, high-quality nursing education pathways for aspiring healthcare professionals.

The accelerated 12-month Practical Nursing Program is designed to prepare graduates to provide safe, competent nursing care in a variety of healthcare settings, including long-term care, rehabilitation, assisted living, hospice, home health, and acute care environments. Upon successful completion of the program, graduates will be eligible to sit for the NCLEX-PN licensure examination.

"We are excited to bring practical nursing education to our community and help address the growing demand for skilled nurses throughout Michigan," said Dr. Amelia Kenyon, Co-Owner and Dean of PES School of Nursing Education. "Our mission has always been to create meaningful career pathways in healthcare, and the addition of our Board-approved LPN program allows us to continue supporting students as they advance their professional goals."

The Practical Nursing Program features:

- Michigan Board of Nursing Approved Curriculum
- Accelerated 12-Month Completion Option
- Experienced Nurse Educators and Clinical Faculty
- Hands-On Laboratory and Clinical Experiences
- Small Class Sizes
- Flexible Payment Plan Options
- No Waitlist
- Multiple Start Dates Planned Each Year

While expanding into nursing education, PES School of Nursing Education remains committed to its successful allied health training programs. The school will continue offering:

- Certified Nurse Aide (CNA) Training
- Medical Assistant Training
- Phlebotomy Technician Training

These programs provide students with valuable entry points into healthcare careers and serve as stepping stones for continued professional growth within the healthcare industry.

Applications for the Fall 2026 Practical Nursing cohort are now being accepted. Prospective students are encouraged to apply early, as class sizes are limited.

For additional information about admissions requirements, program details, upcoming information sessions, or to begin the application process, visit www.pesschoolofnursing.com.

About PES School of Nursing Education

PES School of Nursing Education is a Michigan-based healthcare training institution dedicated to preparing compassionate, competent healthcare professionals through innovative, student-centered education.
