PRECIOUS BY NATURE | PERFECT BY CRAFT | PARTNERED FOR SUCCESS

**Jaipur, Rajasthan Jun 5, 2026** ([IssueWire.com](https://www.IssueWire.com)) - Pukhraj Gems, a leading gemstone and [jewelry manufacturer](#) based in Jaipur, India, announces the expansion of its manufacturing and export services to support jewelry brands, wholesalers, retailers, and distributors worldwide.

With decades of expertise in gemstone sourcing, cutting, polishing, and jewelry production, Pukhraj Gems specializes in creating high-quality precious and semi-precious gemstone jewelry. The company offers custom jewelry manufacturing, private-label production, gemstone supply, and export solutions tailored to international market requirements.

As demand for ethically sourced gemstones and customized jewelry continues to grow, Pukhraj Gems is strengthening its production capabilities to provide clients with innovative designs, competitive pricing, and reliable delivery schedules.

"Our mission is to help jewelry businesses worldwide access exceptional gemstones and expertly crafted jewelry directly from India," said a spokesperson for Pukhraj Gems. "We are committed to

quality, transparency, and long-term partnerships with our global customers."

Operating from Jaipur, widely recognized as the gemstone capital of India, Pukhraj Gems combines traditional craftsmanship with modern manufacturing processes to deliver products that meet international quality standards.

Key services include:

- Gemstone manufacturing and exports
- Custom jewelry design and production
- Gold, silver, and gemstone jewelry manufacturing
- Private-label and OEM jewelry services
- Wholesale gemstone supply
- International export support

Pukhraj Gems serves customers across North America, Europe, the Middle East, Asia, and other global markets.
