

Purple Exhibits Reflects on Award-Winning Fabuwood Booth at KBIS 2026, Shares Behind-the-Scenes Case Study

Purple Exhibits highlights the strategy, fabrication, logistics, and onsite execution behind Fabuwood's award-winning presence at KBIS 2026.

Fishkill, New York Jun 5, 2026 ([IssueWire.com](https://www.issuewire.com)) - As companies begin planning for KBIS 2027, Purple Exhibits is reflecting on one of its standout projects from the past year: the delivery of Fabuwood's award-winning exhibit at KBIS 2026 in Orlando.

Recognized with the **Best Large Booth Award**, the Fabuwood exhibit stood out for its innovative design, engaging visitor experience, and strong brand presence on the show floor.

Purple Exhibits proudly partnered with Fabuwood to provide project management, fabrication, logistics, installation, and on-site support, helping bring the vision to life from concept to completion.

"Seeing our client's exhibit recognized at one of the industry's largest trade shows was an exciting achievement for the entire team," said Diana Vallejos, Head of Sales at Purple Exhibits. "It's a reflection of strong collaboration, careful planning, and a shared commitment to creating an unforgettable

experience."

The project highlights the growing importance of well-executed exhibit environments that not only attract attention but also create meaningful engagement with attendees.
