Essex's Premier Party and Festival Event Rental Company Brings Unforgettable Festival Themed Parties Straight to Your Garden

**Chelmsford, Essex Jun 10, 2026 ([IssueWire.com](http://www.IssueWire.com))** - As demand for unique outdoor celebrations and immersive themed events continues to grow, Rentival is redefining event entertainment across Essex and the South East. As a leading [Event hire company Essex](#), Rentival specializes in transforming ordinary spaces into vibrant festival-style venues, offering everything from stages and stretch tents to lighting, seating, wristbands, and complete festival setups.

Known for creating memorable private festivals for gatherings ranging from small family celebrations to large-scale events of up to 400 guests, Rentival has become a trusted choice for customers seeking authentic festival experiences without the complexities of organizing a major event. The company's flexible approach allows every event to be tailored to the client's space, guest count, and vision, ensuring a truly personalized experience.

What sets Rentival apart from a traditional Party and Festival Event Rental Company is its ability to provide a complete festival atmosphere. Clients can choose from a range of professionally designed

packages featuring stretch tent marquees, raised stages, Nordic tipis, luxury bell tents, chill-out zones, rustic furniture, festival lighting, sound systems, and decorative elements that capture the spirit of a real outdoor festival.

The company's extensive selection of festival decor Essex options includes colorful paper lanterns, Moroccan lanterns, Bali festival flags, festoon lighting, Indian rugs, pallet seating, milk churn planters, and bespoke festival accessories. These carefully curated decorative touches help create an immersive environment that elevates birthdays, corporate gatherings, weddings, community celebrations, and private garden events.

As interest in festival themed parties Essex continues to rise, [Rentival](#) remains committed to delivering high-quality event solutions that combine creativity, convenience, and professional service. Every package includes setup and installation, helping hosts focus on enjoying their event while Rentival handles the logistics. Public liability insurance and event setup services are also included within the company's service offering, providing added peace of mind for customers.

From intimate garden parties to full-scale weekend festivals complete with camping areas and glamping accommodations, Rentival continues to set the benchmark for festival-inspired event experiences throughout Essex and the South East. By blending innovative event design with premium hire equipment, the company enables clients to create unforgettable celebrations that leave lasting impressions on every guest.
