

SERENITY: The Flagship Superyacht Of The Ionian Charter Market

The pinnacle of Mediterranean luxury in the Ionian Sea.

La Condamine, Monaco Jun 30, 2026 ([Issuewire.com](https://www.issuewire.com)) - The magnificent 42-metre superyacht *Serenity* is redefining luxury cruising in the Ionian Islands. Based in Corfu, she is positioned as the flagship yacht of the region's charter market.

Led by a crew with deep roots in the Ionian Islands, [SERENITY](#) offers guests access to authentic local experiences, secluded anchorages and bespoke itineraries through Corfu, Paxos, Lefkada, Kefalonia and Zakynthos. Combined with an expert understanding of local weather conditions and cruising grounds, this regional knowledge allows guests to enjoy the very best of the Ionian with unrivalled flexibility, comfort and insight. As a yacht permanently based in Corfu, SERENITY also offers the added advantage of chartering throughout the Ionian without repositioning or delivery fees.

Nicky Viakovsky, Charter Manager at TWW Yachts, comments: *"We are thrilled to present Serenity to the charter market as the undisputed crown jewel of the Ionian Islands. Travellers are increasingly seeking out the dramatic cliffs and emerald waters of the Ionian, but historically, the largest superyachts were concentrated elsewhere. By positioning the largest yacht there, we are fulfilling a massive demand for ultra-luxury, high-*

volume charters without the need for lengthy transit times from the Aegean."

Remarkably Quiet Onboard Experience

Spanning multiple beautifully appointed decks, *Serenity* maximises space and privacy for her guests. Her standout features include:

- **A Crew Dedicated to Excellence:** Under the leadership of Captain Nikolas, SERENITY benefits from a highly experienced and cohesive crew dedicated to delivering exceptional service. Recent investment by the owner in advanced training and professional development programmes further reinforces the yacht's commitment to excellence across every aspect of the guest experience.
- **Stunning Accommodations:** Her five beautifully appointed staterooms, including a stunning full-beam master suite on the main deck, offer refined luxury, contemporary amenities and exceptional comfort for up to 10 guests.
- **An Endless Toy Box:** With an impressive selection of tenders and water toys, including an 8m Viking Norsafe Marathon, Novurania tender, Yamaha Waverunners, eFoils, kayaks, paddleboards, towables and scuba equipment, SERENITY turns the Ionian into a playground for adventure.

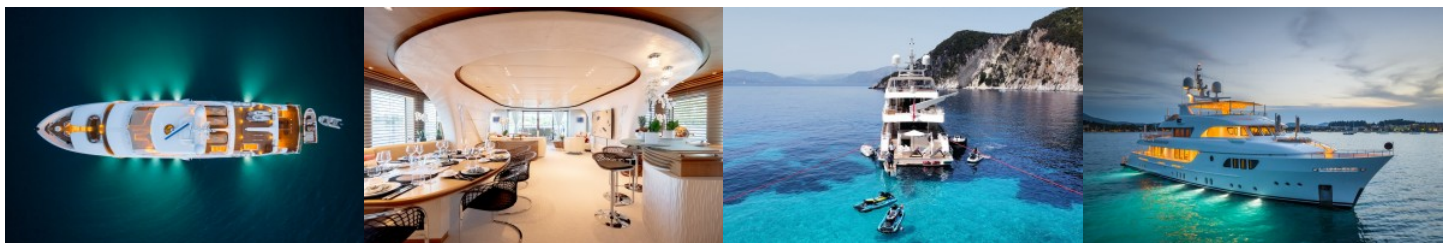

Captain Nikolas Koutsodontis, Master of *Serenity*, adds: *"The Ionian Islands offer some of the most spectacular, sheltered cruising grounds in the world, and my crew and I can tailor bespoke, high-discretion holidays to experience them at their finest. We will guide you to the breathtaking, wild beauty and turquoise waters of Paxos and Antipaxos, or drop anchor at Atokos, where swimming with the wild boars in crystal-clear waters instantly transports you to the Caribbean. From taking in the pine-scented, untouched nature of Kalamos to slipping into Ithaka's countless hidden coves to escape the weather and the crowds, we ensure a perspective of these islands that no other vessel in this region can match."*
