Zhou Song, Sailboat Tree (2025)

A surreal composition of a mature tree anchored to a vibrant yellow vessel, exemplifying Zhou Song's dreamlike visual language and produced by an artist whose works have sold for over €100,000 at auction.

Profile

Bourgoin-Jallieu, Isere Jun 16, 2026 ([IssueWire.com](https://www.issuewire.com)) - The Rebel Marketer is launching a referral contest open to participants. This contest provides an opportunity to earn rewards by joining the community and referring others.

How to participate:

1. Join the Telegram channel and group by following this link:

https://t.me/subinvitebot/win?startapp=6a2a078db604bd6790daff11__6288601160

Once joined, you will receive access to updates, strategies and community content.

2. Use your unique referral link to invite friends, family, colleagues and contacts through available channels. Each successful referral improves your chances in the contest.

3. Ten winners will each receive a 50 euro share of a valuable collectible, totaling 500 euros in prizes. The collectibles are selected for their rarity and potential value.

This contest is designed to be straightforward and accessible for both new and experienced participants.

Eligibility rules:

The contest is open only to residents of the United Kingdom and the European Union. To verify eligibility, please visit

https://splintinvest.onelink.me/n6C4/invite_en

and use the code 571314973.

Participants outside these regions may join the community for information and networking but are not eligible for prizes.

Participation in the community offers access to marketing strategies, insights on collectibles and investments, discussions, and a network of professionals. Members have reported benefits from shared knowledge and connections that extend beyond the contest period.

To increase your chances:

Share your referral link in appropriate groups and forums while respecting platform guidelines. Create clear messages about the benefits of joining. Stay active in the Telegram group. Focus on referring individuals genuinely interested in marketing, investing and professional development.

The contest is available for a limited time. Early participation and active referring are recommended. Winners will be selected through a fair process and notified in the Telegram channel.
