"Closing more than \$10 million in a single month is an exciting milestone for our team, but what means the most is the trust our clients place in us every day," said Michael Thornton, Team Lead of The Thornton Team. "We're growing at more than 25% over last year, leading the Wheaton market, and on pace for another record-breaking year. None of that happens without the support of our clients, referral partners, and the communities we serve throughout Chicago's western suburbs."

With continued demand throughout Chicago's western suburbs and a growing team of experienced professionals, The Thornton Team remains focused on providing expert guidance, local market knowledge, and a client-first experience.

The team's growth has been fueled by a combination of repeat clients, referrals, local market expertise, and innovative marketing strategies that help buyers and sellers succeed in an increasingly competitive marketplace. "We've built our business through relationships, referrals, and a commitment to putting our clients first," Thornton added. "The momentum we've experienced this year is exciting, but we're focused on continuing to earn our clients' trust and helping them achieve their real estate goals."
