

## Viking Bags Introduces Aftermarket Gel 2-Up Seats for Harley Motorcycle Models

**Los Angeles, California Jun 19, 2026 ([IssueWire.com](https://www.IssueWire.com))** - Viking Bags, a leading provider of premium motorcycle luggage and accessories, is proud to announce the launch of its new **Iron Born Aftermarket Gel 2-Up Seats for Harley-Davidson motorcycle** models. Designed to enhance rider and passenger comfort without compromising style, these Harley motorcycle seats combine advanced gel technology, ergonomic support, and competitive pricing to deliver an exceptional riding experience.

The Iron Born Gel 2-Up Seats are engineered with rider comfort as a top priority. Featuring **integrated gel technology**, the Viking Harley Davidson seats help distribute weight evenly and reduce pressure points during long-distance rides. The result is a smoother, more comfortable journey for both riders and passengers, whether commuting daily or touring across the country.

A standout feature of the Iron Born [motorcycle seat](#) design is its **deep rider support**, which helps maintain a stable and comfortable riding position. The carefully **contoured seating** provides ergonomic support while enhancing overall control and confidence on the road. For passengers, the seat includes a **secure and spacious rear seating area**, helping improve comfort and stability throughout the ride.

In addition to performance and comfort benefits, Viking Bags has positioned the Iron Born Gel 2-Up Seats at a **competitive price point**, making premium aftermarket seating more accessible to Harley owners seeking a high-quality upgrade. Each seat also comes with **mounting hardware included**,

allowing for a straightforward installation process and added convenience.

“Our goal with the Iron Born Gel 2-Up motorcycle seats was to create a product that delivers premium comfort, reliable support, and outstanding value,” said a spokesperson for Viking Bags. “Harley riders deserve seating that enhances every mile, and these seats are built to do exactly that.”

The new Iron Born Aftermarket Gel 2-Up Seats are available for select Harley-Davidson models and can be purchased directly through Viking Bags.
