

Wonder Curl Unveils Revolutionary Strong Hold Custard for Curly and Coily Hair

Introducing a One-and-Done Solution for Frizz-Free Curls This Summer

Phillipsburg, New Jersey Jun 2, 2026 (Issuewire.com) - Wonder Curl, a pioneering name in natural and textured hair care, proudly announces the launch of its latest innovation, the Strong Hold Custard. This groundbreaking product arrives just in time for the humid summer months, offering a unique, one-and-done solution for all textures of curly and coily hair.

Designed to meet the needs of those seeking a reliable styling product, the Strong Hold Custard combines the best attributes of a strong hold gel with the nourishing benefits of natural ingredients. Infused with shea butter, castor oil, and pro-vitamin B5, this custard locks in moisture, ensuring curls remain hydrated and vibrant.

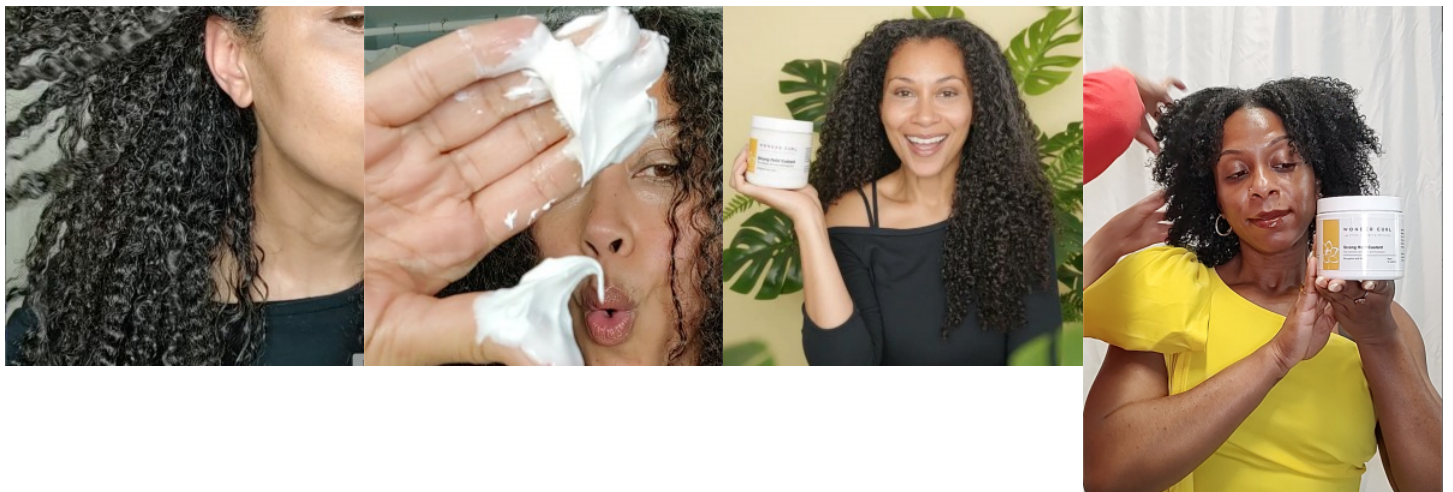

"The Strong Hold Custard is a game-changer for anyone with curly or coily hair," says Scarlett Rocourt, CEO and founder of Wonder Curl. "We wanted to create a product that not only provides a strong hold but also nourishes the hair, keeping it healthy and frizz-free throughout the summer."

This innovative formula is designed to withstand the challenges of humidity, offering long-lasting frizz control and definition. Users can enjoy beautifully defined curls that maintain their shape and bounce, regardless of the weather conditions.

Wonder Curl's commitment to using natural ingredients ensures that the Strong Hold Custard is free from harmful chemicals, aligning with the company's mission to provide safe and effective hair care solutions. This product is suitable for all curly hair types, making it an essential addition to any hair care routine.

With the launch of the Strong Hold Custard, Wonder Curl continues to set the standard in the hair care industry, offering innovative solutions that cater to the unique needs of curly-haired individuals. This product is a testament to the company's dedication to enhancing and nourishing natural hair textures.
