

## YoYo Trips India Launches Golden Triangle Vacation Packages and Rajasthan Vacation Packages for Summer 2026

New Delhi NCR-based travel company introduces expanded itineraries for heritage travellers, families, couples, and solo explorers ahead of peak summer season.

**Faridabad, Haryana Jun 5, 2026 ([Issuewire.com](https://www.issuewire.com))** - YoYo Trips India, a Delhi NCR, India-based travel planning company, has announced the launch of its summer 2026 vacation packages. The new line-up includes [Golden Triangle vacation packages](#) covering Delhi, Agra, and Jaipur, an expanded selection of Rajasthan packages, and a dedicated series for couples.

The Golden Triangle itineraries include guided visits to the Taj Mahal, Qutub Minar, Amber Fort, and Hawa Mahal, with accommodation and intercity transfers included in every booking. The itineraries are structured to suit varying trip durations, from a weekend extension to a week-long tour. The packages are suitable for first-time visitors to North India as well as returning travellers seeking a cultural journey.

### **Rajasthan Packages Span Desert Forts to Lakeside Cities**

YoYo Trips India has also launched a new collection of [Rajasthan vacation packages](#) routing travellers through Jaipur, Jodhpur, Udaipur, and Jaisalmer. These tours include desert safaris, heritage hotel stays, boat trips on Lake Pichola, and guided visits to Mehrangarh Fort. Five-day to twelve-day formats are available, suitable for families, groups, and individual travellers. The range reflects the continued growth of immersive cultural travel within India.

### **Honeymoon and Couples Travel Range Added for Summer 2026**

The summer 2026 line-up includes a dedicated series for couples, featuring [honeymoon packages in India](#) across Udaipur, Shimla, Manali, Kerala, and Jaipur. Each package includes premium accommodations, private dining, and dedicated concierge support. Optional extras include spa treatments, candlelight dinners, and sunrise boat rides. The company cited consistent growth in domestic honeymoon travel as the basis for the structured product expansion.
