

zHealth to Unveil Next-Gen Chiropractic Software at Chiro Texpo '26

San Francisco, California Jun 30, 2026 ([IssueWire.com](https://www.issuewire.com)) - zHealth, a leading practice management software for chiropractors, announced its participation in **Chiro Texpo'26**, the Texas Chiropractic Association's flagship annual event. The event will be held at the AT&T Hotel and Conference Center on the University of Texas campus in Austin from **June 26-28, 2026**.

Chiro Texpo stands as one of the most anticipated chiropractic events of the year, uniting professionals, innovators, and thought leaders from across the industry. At the event, zHealth will demonstrate how modern technology is reshaping chiropractic practices, simplifying workflows, improving billing efficiency, and enhancing patient engagement. zHealth will feature its next-generation, all-in-one practice management platform designed specifically for today's chiropractic clinics.

Experience zHealth in Action

zHealth will demonstrate its integrated chiropractic EHR and practice management platform at Chiro

Texpo'26, featuring live demos of [AI Scribe](#), automated documentation, electronic faxing, practice analytics software, email marketing solution and customizable SOAP notes.

Attendees can also explore integrated billing and claims tools, along with patient engagement features such as online scheduling, digital intake, automated reminders, recall, mobile apps, and patient communication systems.

Whether you're looking to improve efficiency, reduce administrative workload, strengthen patient retention, or modernize your practice operations, the zHealth team will be available to demonstrate how the platform helps chiropractic practices achieve their goals.

Supporting Chiropractic Growth Through Innovation

Chiro Texpo is an important event for the chiropractic community, and we're excited to connect with practitioners and future chiropractors from across Texas," said a zHealth spokesperson. "Our mission is to reduce administrative workload so practices can focus more on patient care.

zHealth will also participate in Chiro Texpo, showcasing new features built to address key challenges in chiropractic practice management. Our platform is designed to improve efficiency, strengthen patient retention, and support revenue growth "

If you're attending Chiro Texpo '26, be sure to stop by the zHealth booth to experience the latest innovations in chiropractic practice management, documentation, billing, and patient engagement.
