

AIRCS Group: Nine Years of Registered Immigration Consulting for Canada, Australia, UK and USA Visas from Pakistan

Founded in 2017 and registered with Pakistan's Securities and Exchange Commission (Reg. #0233707), AIRCS Group provides skilled immigration, business immigration, study abroad, and visit visa services from its offices in Rawalpindi, Faisalabad

Rawalpindi, Punjab Jul 20, 2026 ([Issuewire.com](https://www.issuewire.com)) - When AIRCS Group opened its first office in Rawalpindi in 2017, Pakistan's immigration consulting market was crowded with unregistered agents making promises they could not keep. Nine years later, the firm has grown into a three-city consultancy built on a different model: document everything, register with the authorities, and tell clients the truth about their eligibility.

The firm is registered with the Securities and Exchange Commission of Pakistan under registration number 0233707 and aligns its Australian migration work with MARA (Migration Agents Registration Authority) standards. Its Google Business profile carries a 4.9-star rating across more than 375 reviews from clients in Rawalpindi, Islamabad, and Faisalabad.

"Every family that walks into our office is trusting us with their future," says CEO Atif Sajjad. "We start with a free, honest profile assessment. If a client does not qualify, we tell them clearly. If they do, we manage the case with complete transparency from documentation to decision."

AIRCS Group handles four service areas. Skilled immigration covers Canada Permanent Residency through Express Entry and Provincial Nominee Programs, Australia PR through skilled migration pathways, and USA EB-2 NIW petitions. Business immigration includes investor and entrepreneur routes for Canada, Australia, and Portugal. The study abroad division places students in universities across Canada, Australia, the UK, Germany, and China. Visit visa assistance covers Canada, Australia, the USA, the UK, New Zealand, and Schengen countries.

A number of recent approvals came from applicants whose cases had been refused when handled elsewhere. The AIRCS team rebuilds such cases with point-by-point responses to each refusal ground and stronger supporting documentation before resubmission.

The consultancy operates from Office 109-110, 1st Floor, Kohistan Tower, Saddar, Rawalpindi (phone +92 51 8442721) and Office 5, 2nd Floor, The Orion, Kohenoor City, Jaranwala Road, Faisalabad (phone +92 41 5482721). Free assessments can be booked via WhatsApp at +92 311 4464274, by email at info@aircs.pk, or through the website aircs.pk.
