

Arna Softech Named MP Best Employer Brand for the Second Consecutive Year

A Journey of Continued Workplace Excellence with Back-to-Back Employer Brand Recognition

Indore, Madhya Pradesh Jul 17, 2026 ([Issuewire.com](https://www.issuewire.com)) - Arna Softech Named MP Best Employer Brand for the Second Consecutive Year

A renowned leader in software engineering and digital transformation, [Arna Softech](https://www.arnasoftech.com) has received the

Madhya Pradesh Best Employer Brand Award 2026. The trophy and certificate for the same were presented on June 11 at the Marriott Hotel, Indore. This is Arna Softech's second consecutive year receiving the honor, following its 2025 win.

Recognized Again for Workplace Excellence

The MP Best Employer Brand Awards are presented under the Employer Branding Awards platform. The platform is an initiative associated with the World HRD Congress and Employer Branding Institute.

The awards recognize organizations that create positive employee experiences and invest in leadership development. Winning the recognition for two years in a row reflects the consistency of Arna Softech's people-first philosophy and its continued investment in employee development.

Founder and CEO's Message on the Achievement

Sharing his thoughts on the award, Nitin Saklecha, Founder and CEO of Arna Softech, said:

"Honored that we have been named Best Employer Brand in MP again. What makes this win truly meaningful for us is the journey of years behind it - investing energy and thought into building a workplace that puts people at the center of its growth story."

What Makes Arna Softech a Leading Employer?

Arna Softech supports continuous learning and empowers employees to take initiative in their roles. These efforts have helped make Arna Softech one of Madhya Pradesh's premier employers.

Arna Softech has established strong capabilities across AI, product development, data, and cloud solutions. But its success is driven by more than technical expertise alone. The people behind these solutions play an equally important role. As the company continues to grow, building a sense of ownership remains central to its vision for the future.
