

Award-Winning Author and Brain Tumor Survivor Stephanie Gurley Launches Powerful New Bible Study

Run in Awe of Jesus Invites Women to Rediscover the One Who Runs Beside Them

San Francisco, California Jul 21, 2026 ([IssueWire.com](https://www.issuewire.com)) - Inspirational speaker and award-winning author Stephanie Gurley announces the official launch of her newest book, *Run in Awe of Jesus*, a faith-anchored Bible study designed to help women trade exhaustion for endurance and rediscover a life-changing awe of Jesus Christ. The book is available now for pre-order on Amazon ahead of its official release date of **August 30, 2026**.

Rooted in Hebrews 12:1-2 — “...let us run with endurance the race that is set before us, fixing our eyes on Jesus...” — *Run in Awe of Jesus* speaks directly to the woman whose heart is tired, whose strength is gone, and who longs to know that she was never meant to run this race alone.

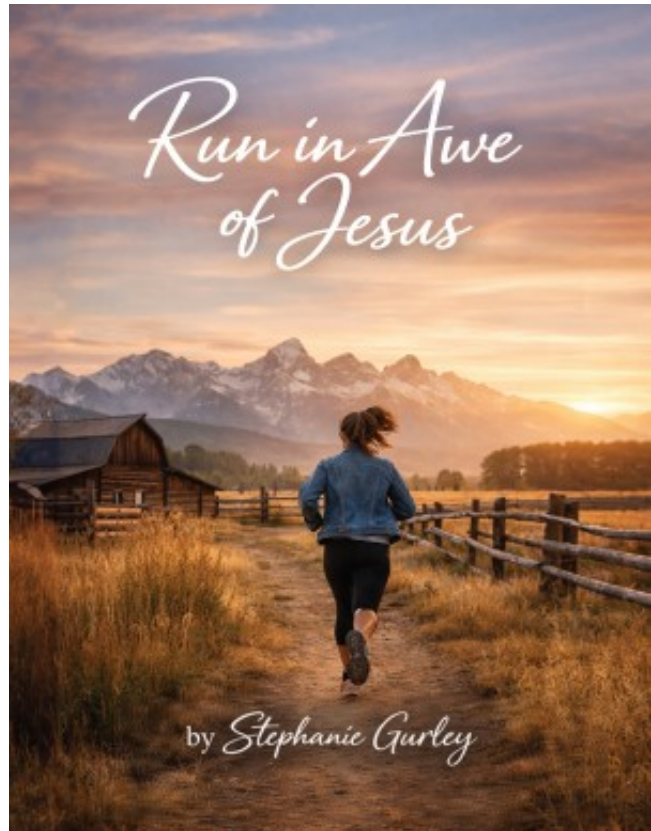

Through powerful personal storytelling, honest reflection, and Scripture-anchored teaching, readers will learn to break free from the weights that slow them down, hear God's voice in their hardest moments, and walk in confidence, purpose, and daily surrender. This is not a study about trying harder, it is about seeing Jesus more clearly. And when you see Him, everything changes.

Born out of prayer, fasting, and deep dependence on the Holy Spirit, *Run in Awe of Jesus* serves as the companion to Gurley's award-winning book *Love Grows Stronger*, and was written for every woman who longs to grow stronger in faith, steadier in hope, and more in awe of the Savior who never stops pursuing her.

Stephanie Gurley is an inspirational public speaker, award-winning author, and member of the International Impact Book Awards. As a brain tumor survivor, Gurley has dedicated her life to sharing her story and encouraging others to live life to the fullest. She is a devoted wife, mother, and grandmother who also serves as a water safety instructor working with individuals with special needs. Together with her husband, she runs a business and ranches cattle. At the heart of everything she does is a burning desire to make a positive difference in the lives of others — giving God all the honor and glory.
