

Best-Selling Author Lorie Deoleo Celebrates Marriage with Her Latest Book ‘SURVIVING A STUPID HUSBAND’

SURVIVING A STUPID HUSBAND

— LAUGHING, LOVING,
AND BUILDING A LIFE TOGETHER —

LORIE DEOLEO

BESTSELLING AUTHOR, ENTREPRENEUR,
WORLD-CLASS FINANCIAL EXPERT, AND PHILANTHROPIST

California, United States Jul 28, 2026 (Issuewire.com) - Deoleo Public Relations Firm

Marriage works best when mutual love and humor celebrate the union, and that is what the best-selling author Lorie Deoleo does with her newly released book. As a laugh-out-loud celebration of her marriage, the philanthropist has released 'SURVIVING A STUPID HUSBAND: Laughing, Loving and Building An Extraordinary Life Together'. Available on Amazon, the book reflects on her marriage with her husband, the Fighting Entrepreneur Tony Deoleo, and how they have found the key to an enduring union for a lifetime. It is a witty and uplifting publication that reminds couples everywhere that one of the greatest secrets to a lasting marriage is learning to laugh together.

The book blends humor with genuine relationship wisdom and explores the everyday moments every married couple recognizes. From funny misunderstandings and unforgettable conversations to the little imperfections, this publication has it all. Although the title suggests criticizing husbands, the book is genuinely far from it, as it affectionately celebrates the reality that no marriage is perfect, and that is exactly what makes it beautiful. "Marriage isn't about finding someone who never makes mistakes. It's about finding someone worth laughing with for the rest of your life. The happiest couples aren't perfect—they simply choose love, grace, and laughter every single day," says Lorie Deoleo.

The release of this new book extends Lorie's growing collection of inspirational works focused on relationships, personal growth, leadership, and living with purpose. This is a perfect read for both long-time married and newlywed couples. Get the book at:
