

Complete the Set: The Rest of Brent Newman's Practical Mysticism Series

Rounding out the six-volume series for readers who started with Volume I or IV.

New Rochelle, New York Jul 30, 2026 ([Issuewire.com](https://www.issuewire.com)) - Following up on its earlier feature, Dex System Publishing is rounding out Brent Newman's six-volume Practical Mysticism series for readers who started with Volume I or Volume IV back around the Fourth of July and want the rest of the set before summer ends.

This release covers Practical Mysticism II: The Architect of the Dystopia, Practical Mysticism III: The Desert and the Doorway, Practical Mysticism V: The Final Blueprint, and Practical Mysticism VI: The Ultimate Voyage — all by Brent Newman.

"We've had readers reach out asking where to go after the first two volumes we featured," a Dex System spokesperson said. "This release is really for them — a chance to close the loop before fall."

As with the earlier feature, the series remains modular: readers can start anywhere and complete the set in any order. A bundled 'complete the set' summer-reading-sale tie-in is available for outlets interested in a retail angle alongside the editorial coverage.

This is a direct follow-up to the earlier Practical Mysticism feature, making it a strong candidate for outlets that already covered the first two volumes and want to close out the series with their readers. Brent Newman is available for a wrap-up interview on request.
