Robert "Rocky" Valles, Jr.

Camarillo, California Jul 7, 2026 ([IssueWire.com](http://www.IssueWire.com)) - Dr. Robert “Rocky” Valles Jr., an accomplished educator, coach, mentor, and children’s author, proudly announces the official publication of his complete 12-book educational collection, now available through Amazon and his official author website.

With nearly four decades dedicated to education, leadership, coaching, and youth development, Dr. Valles has created an engaging collection designed to inspire children to discover different countries, cultures, traditions, and positive life values through imaginative storytelling and educational adventures.

The collection includes educational titles inspired by countries around the world, including Germany, Ireland, Italy, England, France, Japan, Greece, Mexico, America, and Russia, along with the character-building books *Book of Virtues* and *I AM*. Together, these books encourage curiosity, kindness, confidence, cultural awareness, and a lifelong love of learning.

“This collection is about opening young minds to the beauty of different cultures while helping children develop positive values that will guide them throughout their lives,” said Dr. Robert “Rocky” Valles Jr.

The complete collection is now available through Amazon and Dr. Valles' official website in multiple formats, including paperback, hardcover, and Kindle editions, where available, providing parents, educators, schools, and young readers with educational resources that combine learning, adventure, and character development.

Beyond his work as an author, Dr. Valles has devoted nearly 40 years to serving students and communities as a teacher, principal, assistant superintendent, university professor, coach, mentor, and mindset educator. His lifelong passion for education and world travel continues to inspire his writing and his mission to help children become confident, compassionate, and globally minded individuals.

As part of his growing national media presence, Dr. Valles will also be featured in an upcoming interview on The Spotlight Network with Logan Crawford, where he will discuss the inspiration behind his books, his educational philosophy, and his mission of helping children discover the world through reading.

The publication of this complete 12-book collection marks a significant milestone in Dr. Valles' author journey and reflects his commitment to providing meaningful educational content that empowers children to explore the world with curiosity, respect, courage, and confidence.

Readers can explore the complete collection through Amazon or visit [www.drrobertrockyvalles.com](<http://www.drrobertrockyvalles.com>) to learn more about Dr. Valles, his books, and upcoming projects.
