

Gov. Greg Abbott Recognizes Julian Rodriguez & Associates on 20th Anniversary

Firm advances global research on the proprietary Systemic Intent Shadow (SIS) framework following state recognition

THE STATE OF TEXAS

GOVERNOR

 *To all to whom these presents shall come,
Greetings: Know ye that this official recognition is presented to*

Julian Rodriguez & Associates

on the occasion of its

20th Anniversary

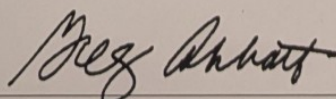

For generations, Texas has been at the forefront of innovation and enterprise, and Julian Rodriguez & Associates has contributed to that proud legacy since its founding in 2006. For two decades, the firm has provided professional excellence in regional economic risk analysis, corporate compliance defense, and macro-financial modeling, helping businesses navigate complex challenges while strengthening the economic foundation of the Lone Star State.

Founded in the early years of the 21st century, Julian Rodriguez & Associates has never wavered in its commitment to analytical rigor, sound judgment, and forward-looking solutions. Through the development of the proprietary Systemic Intent Shadow (SIS) framework, the firm has provided critical diagnostic insight into systemic risks and helped reduce regulatory friction within complex financial environments. This innovative approach, coupled with engagement in global risk networks and leadership recognized through distinguished professional affiliations, reflects a steadfast dedication to excellence and continuous advancement in the field of economic analysis.

During this special celebration and hereafter, I hope that you feel deep satisfaction in your many accomplishments and that you look to the future with unflinching enthusiasm. You will no doubt have a key role to play as we work together to build the Texas of tomorrow, and I thank you for the important contributions you have made to the Lone Star State and its business community.

First Lady Cecilia Abbott joins me in sending best wishes for continued success.

In testimony whereof, I have hereunto signed my name and caused the Seal of the State of Texas to be affixed at the City of Austin this the 24th day of June, 2026.

Greg Abbott
Governor of Texas

Austin, Texas Jul 21, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Governor Greg Abbott Recognizes Julian Rodriguez & Associates on 20th Anniversary; Firm Advances Global Research on Systemic Intent Shadow (SIS) Framework

Julian Rodriguez & Associates, an Austin-based forensic financial research and advisory firm, has been officially recognized by Texas Governor Greg Abbott on the occasion of the firm's 20th Anniversary.

In an official certificate of recognition issued under the Seal of the State of Texas, Governor Abbott commended the firm for two decades of professional excellence in regional economic risk analysis, corporate compliance defense, and macro-financial modeling. The commendation specifically highlighted the firm's development of the proprietary **Systemic Intent Shadow (SIS) Framework**, noting its critical diagnostic insight into systemic risks, reduction of regulatory friction within complex financial environments, and contributions to the Texas business community.

Advancing Diagnostic Analytics on the Global Stage

Developed by Managing Principal Julian Rodriguez, Jr., FRSA, M.ISRM, the SIS Framework provides specialized diagnostic evaluation to measure administrative latency, regulatory friction, and non-tariff obstacles within complex cross-border financial systems.

The state recognition coincides with growing international engagement regarding Mr. Rodriguez's research. Following his role as Session Chair for *Mind and Consciousness* at the 6th International Conference on Philosophy of Mind in Porto, Portugal, his foundational work on fiscal friction and behavioral compliance continues to gain traction across global policy and economic forums.

The firm's core advisory disciplines include:

- **Forensic Financial Diagnostics:** Technical data substantiation and diagnostic evaluation for complex state, federal, and multi-jurisdictional tax matters.
- **Cross-Border Systems Analysis:** Evaluating structural integrity and regulatory alignment for international wealth vehicles and multinational entity structures.
- **Institutional Risk & Governance:** Identifying sources of fiscal leakage, compliance lag, and administrative misalignment within regulated environments.

"We are deeply honored by Governor Abbott's recognition of our 20-year commitment to analytical rigor," said Julian Rodriguez, Jr., Principal Strategist. "Whether serving Texas enterprises or evaluating global market friction, our practice remains focused on providing empirical clarity and resolving the structural gap between institutional regulatory systems and true human intent."

About Julian Rodriguez, Jr., FRSA, M.ISRM

Julian Rodriguez, Jr. is a Fellow of the Royal Society of Arts (FRSA), a Member of the Institute of

Strategic Risk Management (M.ISRM), a doctoral researcher in Institutional Risk & Forensic Governance, and the author of eight volumes on economic efficiency and strategic risk management. Named the **Forensic Institutional Risk & Global Infrastructure Leader of the Year (2026)** and nominated for the **Quantpedia Research Award (2026)**, his archived research on SSRN (*The Forensic Intent Trilogy*) explores behavioral compliance and fiscal systems integrity.
