School Drive on July 31 from 1:30 to 3:30 p.m., collecting school supplies and other donated items to benefit the Boys and Girls Clubs of Greater Dallas. The drive will take place at the firm's office, located at 4201 Spring Valley Road, Dallas, Texas 75244, with donations collected in the back parking lot. Items collected will later be distributed to local students by the Boys and Girls Club at a separate event.

The event continues a tradition the firm has built over the past three years, aiming to help area students start the school year prepared and confident. A representative from the Boys and Girls Club will be on hand to accept donations alongside the Hargrave team, and attendees who donate will receive a complimentary snow cone.

"We are thrilled to continue supporting the Boys and Girls Club of Greater Dallas through our annual back-to-school drive," said Jennifer Hargrave. "Helping local students start the school year prepared is something our whole team looks forward to."

"At Boys & Girls Clubs of Greater Dallas, we know that access to school supplies helps set students up for success from day one," said Kathryn Duncan of the Boys and Girls Clubs of Greater Dallas. "Through the generosity of our community partners like Hargrave Family Law, our Back to School Drive ensures that thousands of young people have the tools they need to start the school year confident, prepared, and ready to learn. Together, we are investing in brighter futures for Dallas-area youth."
