Employee Appreciation

This award celebrates organizations that demonstrate gratefulness for the efforts of employees and that employees reciprocate by being motivated to give their best at work.

Top Workplaces awards are based on feedback from a research-backed employee engagement survey.

“Earning a Top Workplaces award is a badge of honor for companies, especially because it comes authentically from their employees,” said Eric Rubino, Energage CEO. “That’s something to be proud of. In today’s market, leaders must ensure they’re allowing employees to have a voice and be heard. That’s paramount. Top Workplaces do this, and it pays dividends.”
