

IssueWire Expands Access to Its Digital PR Magazine This July

IssueWire has announced a limited-time 15% discount on its Digital PR Magazine services. It's providing businesses with more opportunity to showcase success stories.

Texas City, Texas Jul 6, 2026 ([IssueWire.com](https://www.issuewire.com)) - IssueWire has introduced a limited-time **15% discount** on its [Digital PR Magazine services](#), providing businesses and entrepreneurs with an opportunity to showcase their stories through its monthly publication.

This latest discount plan will be active until the end of the month, **July 31**. The monthly Digital PR Magazine published by IssueWire features business news, industry trends, company stories, and interviews covering a wide range of industries. Business owners get access to an additional platform to announce their business developments. The promotional offer is available using the coupon code **MAGJUL26**.

"We want to make professional business success stories more accessible to everyone," said an IssueWire spokesperson. "Through this limited-time offer, we hope to provide businesses with an affordable opportunity to share their stories, strengthen their digital presence, and reach wider audiences through our monthly publication."

IssueWire's business magazine contains a Cover Story and a **Feature Story that shed light on new topics and the latest trends** every month to keep readers updated. The magazine features content designed for business professionals, entrepreneurs, investors, media representatives, and readers interested in industry developments.

With growing demand for inspirational business stories and real-world insight, **IssueWire** PR magazine

continues to be the spotlight amongst business professionals. It is redefining the meaning of success and building something extraordinary over time. Apart from the cover and feature sections, this magazine comes up with multiple business stories that cover new ventures and innovations.

Businesses interested in the July promotion can visit the IssueWire website and apply the coupon code **MAGJUL26** before **July 31** to receive the **15% discount on eligible [Digital PR Magazine services](#)**.
