

Jiffy Auto Glass Expands with New Wheat Ridge Auto Shop, RV Glass, Fleet Services & Window Tinting

Colorado-based auto glass company expands capacity across the Front Range with mobile and in-shop windshield replacement, RV glass, fleet services, ADAS calibration, and professional window tinting.

Wheat Ridge, Colorado Jul 22, 2026 ([Issuewire.com](https://www.issuewire.com)) - Jiffy Auto Glass, a Colorado-based auto glass company serving Colorado drivers since 2010, has expanded into a larger [Auto Shop in Wheat Ridge, Colorado](#). Specializing in mobile and in-shop windshield replacement, windshield repair, auto glass repair, professional window tinting, ADAS calibration, RV windshield replacement, and fleet auto glass services, the company continues to expand its service throughout the Denver Metro area, Northern Colorado, and Colorado's Front Range.

The new headquarters supports continued growth from Fort Collins to Denver, Colorado Springs, and surrounding foothill communities. The expansion increases operational capacity, improves scheduling flexibility, expands inventory capabilities, and strengthens support for mobile service, fleet operations, RV glass replacement, and specialty vehicle installations.

Customers can choose convenient mobile service or visit the company's Wheat Ridge auto glass shop for expert installation by certified technicians using OEM-grade materials and industry-approved installation methods.

Expanded Auto Glass Services Across Colorado's Front Range

Jiffy Auto Glass provides comprehensive auto glass services for cars, trucks, SUVs, RVs, commercial vehicles, and fleet accounts, including:

- Windshield replacement
- Windshield repair and chip repair
- Auto glass repair
- Side and rear window replacement
- Power window regulator repair
- Professional automotive window tinting
- Advanced Driver Assistance Systems (ADAS) calibration
- Insurance claim assistance
- Mobile auto glass service
- Fleet and commercial auto glass solutions

Professional Automotive Window Tinting Now Available

Jiffy Auto Glass now offers [professional automotive window tinting](#) for cars, trucks, SUVs, RVs, and commercial vehicles throughout Colorado's Front Range.

Professional window tinting helps improve vehicle comfort and protection by reducing interior heat, blocking harmful UV rays, minimizing glare, increasing privacy, reducing interior fading, and enhancing your vehicle's appearance.

Customers can conveniently combine window tinting with windshield replacement or other auto glass services during the same appointment.

Expanded RV Windshield Replacement Services

The expanded Wheat Ridge facility allows Jiffy Auto Glass to service larger recreational vehicles, motorhomes, campers, travel trailers, and specialty vehicles that many traditional auto glass shops cannot accommodate.

RV services include:

- RV windshield replacement
- Motorhome windshield replacement
- RV side window replacement
- RV window replacement
- Camper and travel trailer glass replacement
- Mobile RV windshield replacement
- Mobile RV glass services

Customers throughout Denver, Boulder County, Northern Colorado, Colorado Springs, and Colorado's Front Range now have access to both mobile and in-shop RV glass services through a single provider.

Fleet Auto Glass Services for Colorado Businesses

Jiffy Auto Glass provides dedicated fleet auto glass services designed to help businesses minimize vehicle downtime. Mobile fleet service is available for company cars, work trucks, cargo vans, delivery vehicles, contractor fleets, service vehicles, and municipal fleets throughout Colorado's Front Range.

Fleet customers benefit from responsive scheduling, mobile service, experienced technicians, and streamlined coordination that keeps business vehicles safely on the road.

Grand Opening Offer at the New Wheat Ridge Location

To celebrate the opening of its expanded Wheat Ridge headquarters, Jiffy Auto Glass is offering **windshield chip repairs starting at just \$20** for a limited time at its Wheat Ridge auto glass shop.* The Grand Opening Special gives local drivers an affordable way to repair minor windshield chips before they spread into larger cracks that may require a full windshield replacement. Customers can also take advantage of the company's free mobile service, insurance claim assistance, verified price matching, financing options, and professional installation by certified technicians using OEM-grade materials.

*Offer valid for a limited time at the Wheat Ridge location. Terms and conditions may apply.
