

Pure Arts Dental Care Expands Dental Implant Queens Services

Rego Park practice broadens patient access to advanced Dental Implant Queens treatment, alongside expanded family, orthodontic, and preventive dental services for the wider Queens community.

New York City, New York Jul 28, 2026 ([Issuewire.com](https://www.issuewire.com)) - Pure Arts Dental Care, a full-service dental practice located at 98-71 Queens Blvd, Rego Park, NY 11374, today announced the expansion of its [Dental Implant Queens](#) services, giving local patients broader access to advanced, comfortable implant treatment close to home.

The expansion builds on the practice's existing implant offerings, which include single-tooth implants, All-on-4® full-arch solutions and zygomatic (no-bone) implants for patients who have previously been told they aren't candidates for traditional treatment. With an in-house milling lab and digital 3D imaging, Pure Arts Dental Care is able to plan and complete implant restorations without outsourcing lab work, reducing wait times for patients across Queens.

"Our goal has always been to make advanced dental care approachable, not intimidating," said a spokesperson for Pure Arts Dental Care. "Expanding our Dental Implant Queens services allows us to help more patients restore their smiles with the same level of personal attention we've always been known for."

Beyond implants, the practice continues to provide well-rounded Dental Care in Queens for patients of every age. Families in the area have come to rely on the practice's Kid-Friendly Dentist NY program, designed to make early dental visits comfortable and stress-free for children. The practice also emphasizes the Best Routine Dental Care, encouraging regular checkups and preventive treatment as the foundation for long-term oral health, including for patients preparing for or recovering from implant procedures.

Orthodontic patients have additional options as well. [Pure Arts Dental Care](#) offers the Best Clear Braces Queens City residents have come to trust, giving teens and adults a discreet path to straighter teeth without traditional metal braces.

Patients interested in learning more about dental implants can take the practice's short online candidacy quiz or schedule a consultation directly with the team. Pure Arts Dental Care accepts most major dental insurance plans and offers flexible financing options for patients without coverage.

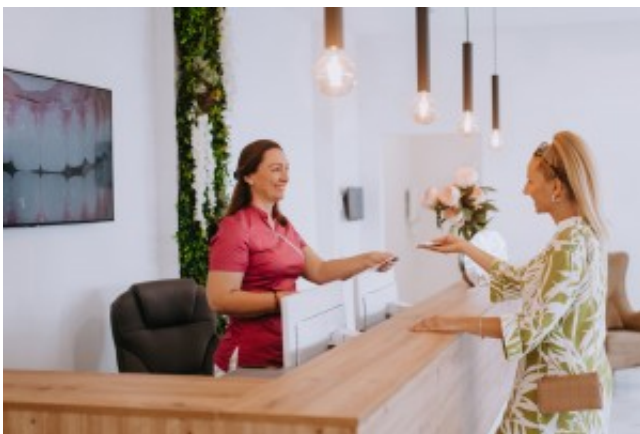

Pure Arts Dental Care is open Monday through Friday from 9:00 AM to 5:00 PM. Patients can schedule an appointment by calling (718) 437-7777 or by visiting the practice's website.
