

Red, White, and Read: Dex System's Backyard BBQ Reading Guide for July 4th

Lifestyle-focused picks perfect for the holiday week

New Rochelle, New York Jul 2, 2026 ([IssueWire.com](https://www.issuewire.com)) - As Americans fire up the grill for the nation's 250th Independence Day, Dex System offers a lighter, lifestyle-driven reading guide for the holiday week. This twelfth release in the Semiquincentennial series is built for porches, patios, and long weekends — stories to read between fireworks and a second helping of potato salad.

Russell Lavine's *The Celestial Nomad* and Brent Newman's *Aldous Huxley Compendium* round out a list with something for every kind of Fourth of July reader, from readers chasing speculative escape to those drawn to reflective, mind-expanding nonfiction. Whether you're settling into a hammock or killing time before the evening show, this stack is built for the in-between hours of a holiday weekend.
