

Smash-Hit Musical 'EK HASEENA THI EK DEEWANA THA' Premiere's on YouTube

Mumbai, Maharashtra Jul 28, 2026 (Issuewire.com) - Filmmaker Suneel Darshan(Jaanwar, Lootere, Ek Rishtaa, Andaaz, Barsaat, etc.) has launched '*Ek Haseena Thi Ek Deewana Tha*', the sensational Bollywood musical suspense thriller, in which Music Director Nadeem of Nadeem Shravan fame has composed Smash-Hit romantic songs sung by Palak Muchhal and Yasser Desai, which garnered over 3 Billion views on digital platforms, Premiere's on YouTube's SKI Movies from 28th July 2026.

The film is an exhilarating journey of romance, passion, intrigue, and thrill told in the classic world, where the chain of consequences was brought about by the dilemma of the young and naive Natasha, who set off for her destination wedding with fiancé Sunny to her ancestral property, Mt. Unique Estate, only to fall helplessly in love with its stud farm keeper Devdhar. Consumed by his robust yet poetic, aggressive yet persistent advances, she realised that his arms were the ultimate destination of her dreams. But who really was Devdhar? A conman hired to destroy her bliss, a supernatural being, or just a figment of her imagination... Torn between her lover and the one she dared to love, Natasha learnt that love is the deadliest deception when she engulfed herself in a vortex of devastating upheavals that left all those touched by its intensity heartbroken and in a state of bewilderment. Will Natasha be yet another sacrificial lamb before the societal decrees, or will she fall prey to the greed and lust of her unknown enemies? Will she rise from the embers of destruction like a phoenix and emerge the ultimate achiever of her dreams and ultimate destinations?

Featuring Shiv Darshan, Natasha Fernandez & Upen Patel with Soni Kaur, Krishan Tandon & Rumi Khan, in leading roles, the movie was shot in exotic locations in the UK (England & Wales) and in North India.

The film is Copyrighted by & released worldwide by Shree Krishna International, India.
