

The Literature of Liberty: How the Written Word Still Shapes the American Idea

Dex System examines storytelling's role in revolution — then and now

Seattle, Washington Jul 1, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Pamphlets and printed arguments helped ignite the American Revolution. Two hundred fifty years later, Dex System's eighth Semiquincentennial release asks what role literature plays in defining liberty today — including for stories generated with the help of artificial intelligence.

Chester Craig's *Portals* and Brent Newman's six-volume *Practical Mysticism* series each explore, in very different ways, the tension between structure and freedom that has run through American letters since its founding.

****Featured Titles:****

- *Portals* — Chester Craig — <https://www.amazon.com/Portals-Chester-Craig/dp/B0GZ55G47K/>
