

Thomas Lee Introduces So, You Want to Be a Gambler: The Dark Side of Gambling A Powerful Look at Gambling Addiction

Beacon, New York Jul 15, 2026 (Issuewire.com) - Thomas Lee is set to release his new book, So, You Want to Be a Gambler: The Dark Side of Gambling, on June 19, 2026. Publishing on Amazon

Kindle, this thought-provoking book takes readers beyond the excitement of gambling to reveal its hidden risks, emotional struggles, and lasting effects on individuals, families, and communities.

About the book:

In this compelling new release, Thomas Lee explains how gambling can begin as harmless entertainment but slowly develop into a serious addiction. The book explores the mental traps that keep people gambling, including false confidence, unrealistic expectations, and the constant desire to recover losses. Drawing from real-life experiences, it shows how gambling can damage financial stability, personal relationships, and emotional well-being. Readers also gain insight into the influence of casinos, online betting platforms, and social environments that make gambling appear attractive and acceptable. While exposing the painful realities of addiction, the book also delivers an encouraging message of hope by helping readers recognize warning signs, understand the recovery process, and make healthier decisions before gambling begins to control their lives.

About the Author:

Thomas Lee offers readers an honest and compassionate perspective on one of today's growing social concerns. So, You Want to Be a Gambler: The Dark Side of Gambling serves as both an educational guide and an inspiring reminder that awareness is the first step toward prevention and recovery. This book is an important read for anyone who wants to better understand gambling addiction and the path toward a healthier future.
