

Torham Exterior Solutions Inc. Wins Two Platinum Awards in CommunityVotes Hamilton 2026

Hamilton roofing contractor recognized with Platinum awards for Roofing and Roofing, Siding & Soffits.

Hamilton, Ontario Jul 20, 2026 ([IssueWire.com](https://www.issuewire.com)) - Torham Exterior Solutions Inc. has been named a **Platinum winner** in both the **Roofing** and **Roofing, Siding & Soffits** categories in the **CommunityVotes Hamilton 2026** awards. The recognition reflects the confidence that homeowners, businesses, property managers, and industry partners continue to place in the company's workmanship and customer-focused approach.

CommunityVotes celebrates local businesses that consistently earn the trust and support of their communities. Winning Platinum in two categories highlights Torham Exterior Solutions' reputation for delivering dependable exterior building solutions throughout Hamilton, the Greater Toronto Area, and surrounding communities.

With more than 20 years of industry experience, Torham Exterior Solutions provides commercial, industrial, and residential roofing services along with waterproofing, siding, soffit, fascia, and custom sheet metal solutions. The company has built its reputation on quality craftsmanship, transparent communication, and helping clients select roofing systems that deliver long-term performance and value.

Every project is completed with an emphasis on safety, reliability, and attention to detail. Whether installing a new commercial roofing system, replacing a residential roof, or completing exterior renovations, the Torham team works closely with clients to ensure every project meets the highest standards of workmanship.

Owner **Yousif Georgis** says the CommunityVotes recognition belongs to both the company's dedicated team and the customers who continue to place their trust in Torham Exterior Solutions.

"I am grateful to our customers and our community for this recognition," said Georgis. "Winning Platinum in both categories is an honour for our entire team. We remain committed to delivering quality workmanship, honest service, and roofing solutions our clients can depend on for years to come."

The awards also reinforce Torham Exterior Solutions' continued investment in quality materials, skilled tradespeople, and proven installation practices. By combining durable roofing systems with innovative waterproofing and exterior solutions, the company helps protect residential, commercial, and industrial properties across Southern Ontario.
