colorado, Colorado Jul 11, 2026 (Issuewire.com) - GreenTree Extended Stay Eagle Vail Valley continues to welcome travelers from across the country who are searching for spacious, comfortable, and affordable accommodations in the heart of the Colorado Rockies. Conveniently located off Interstate

70 and just minutes from Eagle County Regional Airport, the property has become a preferred choice among visitors comparing hotels in Eagle who want more than a standard room for their mountain getaway.

Whether guests are planning a short weekend escape or settling in for a longer work assignment, GreenTree Extended Stay Eagle Vail Valley is designed to feel like a home away from home. The hotel offers 113 well appointed suites, each featuring a kitchenette with a full sized refrigerator, stovetop, microwave, and dedicated dining area. This gives travelers the flexibility to prepare their own meals, store groceries, and settle in comfortably, a feature that sets extended stay hotels apart from traditional lodging options in the area.

Guests staying at the property enjoy pillowtop beds with premium bedding, 32 inch flat screen televisions with cable programming, complimentary high speed WiFi, and a dedicated workspace, making the hotel a practical option for remote workers and business travelers alike. The property also provides on site amenities including a fitness center, business center, meeting room, arcade and game room, and an outdoor barbecue area where guests can unwind after a day of exploring the Vail Valley region.

For added convenience, the hotel operates the GreenTree Market, a grocery and convenience store stocked with grab and go essentials, along with a complimentary buffet breakfast served daily. Free parking is available on site, including RV parking, and the hotel welcomes pets, making it a fitting choice for travelers with four legged companions in tow. Electric vehicle charging stations are also available, reflecting the property's effort to accommodate the needs of modern travelers exploring the mountain passes of Colorado.

Located just a short drive from Vail and Beaver Creek ski areas, GreenTree Extended Stay Eagle Vail Valley gives guests easy access to some of the best skiing and snowboarding in the state during the winter months. In the summer, the surrounding region transforms into a playground for mountain biking, hiking, whitewater rafting on the Colorado River, and golfing at the Arnold Palmer designed Eagle Ranch Golf Course. The town of Eagle itself, with its shops, restaurants, and local breweries, sits just minutes away, while the historic Glenwood Hot Springs and Pools are within easy reach through the scenic Glenwood Canyon.

The extended stay format has become increasingly popular among outdoor enthusiasts who need extra space for gear such as skis, hiking boots, and mountain bikes. Rather than cramming equipment into a cramped hotel room, guests at GreenTree Extended Stay Eagle Vail Valley have room to spread out, store their belongings, and prepare early morning meals before heading to the slopes or the trailhead. On site guest laundry facilities also allow travelers to refresh their gear and clothing throughout their stay, an amenity especially valued by those spending extended time outdoors.

Accessibility remains a priority at the property as well, with mobility-accessible queen rooms featuring roll-in showers, grab bars, and wheelchair accessible bathrooms and bedrooms, ensuring that all travelers can enjoy a comfortable stay.

As demand grows for flexible, residence style lodging among both leisure and business travelers, GreenTree Extended Stay Eagle Vail Valley remains committed to providing a comfortable, convenient, and welcoming option among hotels in Eagle, Colorado. The property invites travelers planning their next Rocky Mountain adventure to book directly and experience the comfort of extended stay living.
