

Video Promotion Club Introduces Latest Video Promotion Festival: Starting from July 24

Video Promotion Club is launching its latest initiative, the Video Promotion Festival, where YouTubers can avail of promotional campaigns at a 10% discount.

Las Vegas, Nevada Jul 24, 2026 ([Issuewire.com](https://www.issuewire.com)) - Video Promotion Club has announced a Video Promotion Festival for all YouTubers seeking fans and organic growth on the platform. The festival will provide support to rising creators on YouTube with a 10% discount on the promotional campaigns. It is designed to assist all kinds of creators with professional assistance. The agency is using various campaign tools to create its [real YouTube promotion](#) strategies.

The **Video Promotion Festival** will remain active from **July 24 to July 30**. Every creator can visit the website to get a discount on the services. Regional, national, or international creators can avail of this service by selecting their choice of campaign strategy. The festival will assist creators from diversified industries. This latest initiative by the agency aims to support the growth of emerging and independent creators.

Video Promotion Club designs each campaign, catering to the unique needs of each YouTuber. The agency works as an official Google partner and utilizes YouTube ad tools to craft the ad campaigns. The agency uses the Google Display Network and YouTube Partner sites to create various campaigns. The campaign enables creators to target by country and region, allowing for both local and global exposure.

The professionals also make sure to focus on the preferred region and target audiences defined by the creators. It allows gaining attention from relevant online users who will be interested in watching the

video content. The targeted campaigns are designed to align with the niche and the creator's unique style to reach like-minded audiences who can also become organic viewers.

Creators can see results from the campaign start and then monitor it through real-time screenshots shared by the campaign manager from the agency. The analytical data with metrics provides a better view of the niche industry and like-minded audiences.

Sharing views on the latest initiative, a Spokesperson from Video Promotion Club said, "Our Video Promotion Festival is a celebration of talented YouTube creators. We have reduced the price of the promotional packages to make it more accessible. This initiative will help YouTubers connect with worldwide viewers. We further look to expand our service base in the future."

Video Promotion Club recognizes the needs of the emerging YouTubers in this overcrowded digital landscape. Creators, therefore, get to check the prospects through the latest Video Promotion Festival, which runs from July 24 to July 30 with a 10% discount.
