

87 Washes Mobile Detailing Expands Service Schedule to Meet Growing Acadiana Demand Ahead of Back to School Season

Rayne, Louisiana-based mobile auto detailing service adds Monday and Friday availability beginning September 2026, serving families and small business fleets across Acadia and Lafayette Parishes.

Lafayette, Louisiana Aug 19, 2026 ([Issuewire.com](https://www.issuewire.com)) - As summer winds down across Acadiana,

families are resetting routines — school schedules, early mornings, and packed carpool lines. For many, that reset also means taking a closer look at the family vehicle. 87 Washes Mobile Detailing, a fully mobile auto detailing service based in Rayne, Louisiana, is helping families across Acadia and Lafayette Parishes start the school year with a clean slate — and beginning in September, will be doing so six days a week.

Effective September 2026, 87 Washes Mobile Detailing will expand its service schedule from four days per week to Monday through Saturday, 8:30 a.m. to 2:00 p.m. The change reflects consistent customer demand for Monday and Friday appointments — customers frequently request Fridays to have their vehicle ready for the weekend, and Monday availability has been a common request from those who call the week prior.

Unlike traditional detailing shops, 87 Washes comes to the customer. There is no drop-off, no waiting room, and no rearranging the day. Jorge Valenzuela, lead detailer and co-owner, handles every appointment personally — bringing all equipment and supplies directly to the customer's home, workplace, or anywhere the vehicle is parked. Customers supply water and power; 87 Washes handles everything else.

Since 2023, 87 Washes Mobile Detailing has completed more than 800 details across Acadiana, serving personal vehicles and small business fleets in Rayne, Lafayette, Carencro, Broussard, Scott, Duson, Crowley, Breaux Bridge, and surrounding communities.
