Embark on an exclusive Culinary Masterclass Series across continents with talented chefs from Solaire Resort Entertainment City

Manila, Luzon Aug 27, 2026 ([Issuewire.com](https://www.issuewire.com)) - Food is more than a reflection of place; it is through time-honored delicacies and culinary traditions that we gain a deeper sense of the people, identity, and heritage. Beyond savoring these gastronomic expressions, there is a more profound understanding when we experience the craft firsthand in the kitchen. This September, Solaire Resort Entertainment City invites its patrons to go beyond the dining table with an exclusive **Culinary Masterclass Series** led by four acclaimed experts, each showcasing the distinctive flavors of Latin America, the Philippines, and China.

Through the masterclass series, guests can sharpen their cooking skills under the guidance of seasoned professionals and gain insider techniques while discovering authentic ingredients and stories that give every dish its character. The experience promises to satisfy every food enthusiast's appetite, with guests indulging in the sumptuous creations they have prepared before taking home beloved signatures from Solaire Resort Entertainment City's renowned restaurants.

As early as **September 15**, participants can delve into the vibrant flavors of Latin America in a masterclass led by Solaire Resort Entertainment City's Culinary Director, Chef Marcelo Urresti. In this

class, they will learn to prepare a refreshing Seafood Ceviche featuring shrimp, calamari, mussels, chalaquita, and crispy corn, followed by a delicate Seabass Tiradito layered with the contrasting notes of sweet potato, coriander, and popcorn.

For lovers of Filipino sweets, the **September 22** masterclass with dessert expert Chef Jomarie Verdon invites guests to immerse themselves in the spirit of the Filipino Christmas season. Food aficionados will learn to prepare the classic Bibingka Galapong, a traditional baked rice cake and beloved local culinary symbol of the holidays.

The **September 29** edition of the Culinary Masterclass brings together House of Zhou's Chef de Cuisine Dawson Liu and Tai Siew Hong for an exploration of China's rich culinary heritage. Drawing on their expertise, the chefs will unveil the techniques and nuances behind two beloved specialties: Pan-Fried Pork Dumplings and Salted Egg Yolk Tiger Prawns. Participants will discover the intricacies of making each dish, from achieving the perfect texture to balancing its flavors.

To keep the inspiration going long after the class, each participant will receive a thoughtfully curated recipe booklet for future cooking adventures, along with a certificate of participation to commemorate the experience. Those who complete the full series with friends and loved ones will also receive a complimentary engraved chef's knife, a fitting keepsake for many more flavorful journeys at home.

Whether you are seeking fresh inspiration to bring into your own kitchen or looking to explore the art of cooking and culture alongside seasoned masters, Solaire Resort Entertainment City invites you to embark on its September Culinary Masterclass series designed to leave a lasting impression long after your final plate is finished.
