

Atlanta Style & Design Magazine Expands to National Barnes & Noble Distribution

Summer 2026 issue marks a strategic growth milestone for the luxury regional publication

Atlanta, Georgia Aug 5, 2026 ([Issuewire.com](https://www.Issuewire.com)) - *Atlanta Style & Design* magazine has expanded to national Barnes & Noble distribution, beginning with the Summer 2026 issue. Now available in more than 500 Barnes & Noble stores nationwide, the milestone significantly extends the magazine's reach beyond the Southeast and reinforces its position as a leading voice in luxury homebuilding, architecture, interior design, fine art and elevated living.

Since its launch, [Atlanta Style & Design](#) has earned a reputation as one of the Southeast's premier luxury lifestyle publications, connecting design professionals with an affluent, design-conscious readership. Its expanded availability through Barnes & Noble introduces the magazine to readers across the country while giving advertisers, designers, artists and industry partners greater visibility and access to a wider audience.

"Expanding into Barnes & Noble stores nationwide is a natural next step in the evolution of our brand," says publisher Quentin Senise. "For years, we've been committed to producing publications that celebrate excellence in architecture, interior design, homebuilding and fine art. The success of both *Atlanta Style & Design* and our sister publication, *Charleston Style & Design*, demonstrates the strong demand for beautifully produced, editorially driven regional magazines. This expansion allows us to share that vision with readers across the country while delivering greater value to our advertising partners."

The Summer 2026 issue features more than 350 pages showcasing luxury homes, innovative interior design, architecture, landscape design, fine art and the creative professionals behind them.

The magazine's expanded Barnes & Noble presence reflects its continued investment in premium print publishing while giving advertisers, designers and artists access to a broader national audience and greater visibility.

The Summer 2026 issue of *Atlanta Style & Design* is now available at Barnes & Noble stores nationwide.
