Los Angeles, California Aug 4, 2026 ([IssueWire.com](https://www.issuewire.com)) - In [A Notable Woman](#), author Don Anderson revisits a brief but powerful biblical account and transforms it into a thoughtful exploration of strength, faith, and perseverance. Inspired by the unnamed woman mentioned in 2 Kings, the book expands upon the emotional and cultural dimensions of her story, presenting her as a figure of remarkable courage and wisdom.

The narrative examines the realities of ancient Middle Eastern life while highlighting the woman's unusual boldness in a society shaped by rigid customs and expectations. Though her role in Scripture is brief, Anderson argues that her actions reveal an individual of extraordinary intelligence, emotional resilience, and unwavering resolve.
