

BRB Launch of Newspaper Vol. 2 at Solaire Resort Entertainment City

One year later, the secret lives on, the story continues. BRB celebrates its first anniversary with the launch of new signature cocktails and Newspaper Vol. 2.

Manila, Luzon Aug 13, 2026 ([Issuewire.com](https://www.issuewire.com)) - At Solaire Resort Entertainment City, there is always music, engaging banter, and a plethora of quality liquor on hand to give longtime patrons and new guests a good time. A year after, BRB, a speakeasy bar fondly remembered and frequented by lovers of unique cocktail concoctions, presents eight new alcoholic beverages and three zero-proof drinks with flavors you won't find anywhere else.

In collaboration with well-versed bartenders and mixologists from Employees Only Singapore, Drink Collectiv, and No Entry Cocktail Club BGC, Solaire Resort Entertainment City takes nightlife aficionados to a drinking experience where every sip leads to memorable conversations. These artisanal creations feature botanical elements harvested from Solaire Greenhouse, a facility that recently earned the distinguished Philippine Good Agricultural Practices (PhilGAP) certification.

BRB's lineup of signature drinks includes *Loophole*, a delicate, herbal, and bright sparkling blend with vibrant notes of citrus and saline that keeps every serving crisp and refreshing. Not to be missed is *The Wizard*, with a mix of nutty, fruity, bittersweet, rich, and jammy flavors perfect for those who enjoy bold, layered taste with a decadent finish.

For a quintessential experience, try the *Thomas 1869* which seamlessly blends Grey Goose Vodka, green grape, Vermouth, and Fino Sherry. This light, fruity, and refreshing mixture glides down and delivers a sophisticated finish that leaves you with just the right kind of buzz.

The First Woman, inspired by Jeannette Rankin, the first woman to hold federal office in the United States, is another option that soothes the palate thanks to its combination of floral and savory notes.

If you are steering clear of spirits, *The Quiet Remedy* is a nice alternative. This drink is infused with sober whisky, Kaffir lime, leaf ginger, and lemongrass that strike a perfect balance between bold aromatics and a clean restorative finish.

For those seeking familiar and comforting pours, established BRB favorites including *BRB Irish Coffee* is available at the counter. Served hot and cold, this glass is mix of *Kapeng Barako*, one of the Philippines' iconic coffee varieties, local coconut palm sugar, toasted coconut cream, and powder garnish. Among the classics are *Unripe*, with green mango and Bombay Sapphire gin; and *Acai Atelier* with house-made Acai green tea and hibiscus.

Whether you are out for a well-earned drinking session or simply looking for a place to linger over shared moments, BRB welcomes everyone who appreciates fine cocktails and even finer company, one glass at a time.
