Financial Crimes Enforcement Network
Department of the Treasury

MSB Registration Status Information

Date: 06/16/2026

Information contained on this transcript has been provided to FinCEN by the money services business registrant. FinCEN does not recommend, approve, or endorse any business that registers as a money services business. Any such claim and similar claims are false and may be part of a scam or attempt to deceive consumers.

The MSB Registrant Search Web page, which is updated on a weekly basis, contains entities that have registered as Money Services Businesses (MSBs) pursuant to the Bank Secrecy Act (BSA) regulations at 31 CFR 1022.380(a)-(f), administered by the Financial Crimes Enforcement Network (FinCEN).

Information contained on this site has been provided by the MSB registrant. FinCEN does not verify information submitted by the MSB. Information provided on this site reflects only what was provided directly to FinCEN. If an error or incomplete information is detected on this site, the registrant should follow the appropriate instructions for correcting a Registration of Money Services Business (RMSB) form.

Cokato, United States Aug 7, 2026 (Issuewire.com) - With the rapid development of blockchain technology, artificial intelligence, and digital asset applications, the global financial industry is entering a new stage of digital transformation. As a next-generation digital asset trading platform serving global markets, **BXDD Global Digital Asset Exchange** is actively advancing digital financial infrastructure development with a commitment to security, compliance, intelligence, and globalization.

Established in 2023 and headquartered in the United States, BXDD Global Digital Asset Exchange focuses on digital asset trading, financial technology innovation, and Web3 digital finance ecosystem development. The company has completed its U.S. corporate structure and obtained relevant MSB registration, continuously strengthening its compliance framework and operational capabilities to provide users worldwide with secure, stable, and trusted digital financial services.

Driven by technological innovation, BXDD integrates advanced blockchain technology, AI-powered analytics, high-performance trading infrastructure, and multi-layer security protection systems to build a comprehensive digital financial platform covering trading services, risk management, market analysis, and ecosystem development.

Through intelligent market analysis, strategy assistance tools, and professional trading solutions, BXDD aims to help users better understand market trends, improve digital asset management capabilities, and experience more efficient and intelligent financial services.

Security remains one of BXDD's fundamental priorities. The platform continuously develops intelligent risk control mechanisms, data protection systems, and comprehensive security architectures to enhance the stability and reliability of the digital asset trading environment. At the same time, BXDD follows a compliance-oriented development strategy, promoting a more transparent, responsible, and sustainable digital finance ecosystem.

Looking ahead, BXDD will continue expanding its global presence and accelerating the integration of artificial intelligence, digital asset trading, and Web3 technologies. By connecting global users with innovative financial solutions, BXDD aims to create a more open, efficient, and intelligent digital financial ecosystem for the future.

From connecting global markets to empowering users with intelligent technology; from digital asset trading to ecosystem value creation, BXDD is building the foundation for the next era of digital finance.

BXDD Global Digital Asset Exchange
Connecting global markets and creating the future of digital finance.
