kolkata, West bengal Aug 10, 2026 ([Issuewire.com](https://www.issuewire.com)) - CLATapult, the Kolkata-based CLAT coaching institute founded by graduates of NUJS Kolkata, has been rated the top classroom coaching provider in the city in a fresh student survey evaluating teaching quality across Kolkata's leading CLAT institutes.

Survey Puts CLATapult Ahead of the Pack

The survey reached out to 500 students drawn from schools across Kolkata, asking them to rate the classroom coaching they had attended at various CLAT institutes on a scale of 10, based on teaching quality, clarity of concepts, and overall classroom experience. CLATapult's classes came out on top with a rating of 8.5 out of 10. Career Launcher followed at 6.5 out of 10, while Legal Edge and Law Prep Tutorial were rated 6 out of 10 each.

Taught by Law Students, Not Career Trainers

CLATapult attributes its lead in the survey to a simple, deliberately unconventional choice: every batch is taught by current students and CLAT rank holders from NUJS Kolkata, rather than professional coaching staff. The institute's founding philosophy holds that a law aspirant is best taught by someone who has recently been in their shoes, not by a business running a coaching franchise. This has translated into a 4.8-star rating across more than 650 reviews and a classroom-first culture built around mentorship rather than rote instruction.

A Decade of Results in Kolkata

CLATapult has been ranked the [No. 1 CLAT coaching institute in Eastern India](#) for eleven consecutive years. In CLAT 2026 alone, the institute placed over 15 students from its Kolkata batches into the country's top three NLUs. Its classroom courses are built around the institute's long-standing philosophy; "mock it till you make it"; with faculty emphasizing that consistent mock practice, followed by careful error analysis and mentor feedback, is what ultimately separates a good rank from a great one.

Structured Courses Anchoring the Classroom Experience

CLATapult's flagship classroom programs, CLATegize and [Counsel](#), pair live teaching with extensive study material — CLATegize alone includes 300 hours of classes, 80 full-length mocks, 500 sectional tests, and monthly current affairs updates, while the longer-format Counsel course extends this to 800 hours of classes and 120 mocks over two years. Both courses are taught across CLATapult's two Kolkata centers, in Salt Lake and Gariahat, giving students in North and South Kolkata a center close to home.
