Check out the amazing 37 m Benetti SUNDANCE just delivered to her owner.

Fort Lauderdale, Florida Aug 11, 2026 ([IssueWire.com](https://www.IssueWire.com)) - FGI Yacht Group is pleased to announce the successful delivery of **SUNDANCE**, a 37m (121') Benetti Motopanfilo and the latest Built by FGI new construction project. Fresh from the Benetti shipyard, SUNDANCE joins the FGI Yacht Group portfolio and will make her charter debut in the West Mediterranean beginning in September 2026.

Designed to celebrate Benetti's iconic Motopanfilo heritage through a modern perspective, SUNDANCE pairs clean architectural lines with a warm, residential-inspired interior by Lazzarini & Pickering. Naval architecture by Pierluigi Ausonio complements the yacht's elegant profile, while bespoke finishes, Loro Piana fabrics, Minotti and Poliform furnishings, and carefully curated decorative lighting create a sophisticated yet welcoming atmosphere throughout.

The 37-meter yacht accommodates up to 11 guests across five staterooms, including a full-beam primary suite featuring two private seating areas, expansive windows, and a marble ensuite. A layout centered on open, connected living spaces allows guests to move effortlessly between the interior and exterior, from the bright main salon and panoramic skylounge to the yacht's generous outdoor entertaining areas. Highlights include a custom bow pool, spacious sundeck with a full-service bar, Benetti's signature Cocoon observation area, and a 36' Skipper tender accompanied by a curated selection of water toys for exploring the Mediterranean coastline.

"SUNDANCE represents everything owners have come to appreciate about the Benetti Motopanfilo platform—timeless styling, exceptional craftsmanship, and a layout that is equally suited to private ownership and charter," said **Frank Grzeszczak Jr., President & Sales Consultant, FGI Yacht Group**. "It has been a privilege to see this project through to delivery, and we're excited to introduce her to the charter market as guests experience everything she has to offer during her inaugural season."

As the latest addition to FGI Yacht Group's growing portfolio of Built by FGI new construction projects, SUNDANCE reflects the company's continued commitment to delivering exceptional yachts from concept through completion. Following her delivery, she will begin her inaugural charter season in the West Mediterranean in September 2026, offering guests the opportunity to experience a brand-new Benetti Motopanfilo from her very first season on the water.
