

Global Elite Business Magazine Announces 12 Technology Winners in the 2026 Global Elite Business Awards

Awards recognise organisations driving artificial intelligence, digital transformation and technology innovation across the UAE, Bahrain, South Africa, Brazil and Nigeria.

Birmingham, England Aug 6, 2026 ([IssueWire.com](https://www.IssueWire.com)) - Global Elite Business Magazine today announced the 12 winners in the Technology category of the **2026 Global Elite Business Awards**, recognising organisations driving innovation in artificial intelligence, digital transformation, enterprise technology and business excellence across the United Arab Emirates, Bahrain, South Africa, Brazil and

Nigeria.

The Technology category was the largest and most competitive in this year's awards programme, highlighting companies delivering measurable impact through AI-powered operations, digital payments, drone technology, fleet management, architectural lighting, hosting solutions and digital advertising.

2026 Technology Winners

- Gennexa AI — Most Innovative AI-Powered Intelligent Operations Company – UAE 2026 (United Arab Emirates)
- Arab Financial Services (AFS) — Leading Digital Payments Provider 2026 – MENA (Bahrain)
- Butterfly Creative Concepts — Best Marketing Agency in the Garden Route (South Africa)
- Microavia — Best Drone in the Box (United Arab Emirates)
- Nomisful — Best AI Agent Product (South Africa)
- Nuron Fleet Solution — Fleet Management Excellence Leader of the Year (South Africa)
- Nuron Fleet Solution — Outstanding Contribution to Fleet Efficiency & Cost Optimization (South Africa)
- RICMON — Best Architectural Lighting Design Practice (Brazil)
- RICMON — Excellence in Architectural & Urban Lighting Design (Brazil)
- Strat Hostess — Most Innovative Hosting Solutions Provider (South Africa)
- Strat Hostess — Digital Transformation Partner of the Year (South Africa)
- WAOWX Innovations — Digital Advertising Agency of the Year (Nigeria)

Nuron Fleet Solution and Strat Hostess each received two awards, while Gennexa AI and Nomisful demonstrate the growing influence of artificial intelligence in business. RICMON's double recognition highlights the role of technology-driven design in shaping the built environment.

"Technology is transforming every industry, and this year's winners demonstrate how innovation, AI and digital transformation are delivering measurable business value across global markets," said a spokesperson for Global Elite Business Magazine.
