

IKEA Is Coming to Gurnee, and Evo Lawn & Landscape Is Putting Local Homeowners First

As Gurnee prepares for a major new addition at Gurnee Mills, Evo Lawn & Landscape highlights residential lawn care, landscaping, snow removal, and salting services for local homeowners.

Gurnee, Illinois Aug 9, 2026 ([Issuewire.com](https://www.Issuewire.com)) - IKEA Is Coming to Gurnee, and Evo Lawn & Landscape Is Putting Local Homeowners First

As Gurnee prepares for the planned late fall 2026 opening of IKEA at Gurnee Mills, Evo Lawn & Landscape highlights residential lawn care, landscaping, snow removal, and salting services for local homeowners.

Gurnee is preparing for another major addition to the community as IKEA plans to open a new location at Gurnee Mills in late fall 2026. As new investment continues to bring attention to the village, Evo Lawn & Landscape is highlighting the residential lawn care, landscaping, and seasonal property maintenance services it provides to Gurnee homeowners.

IKEA U.S. announced Gurnee Mills as one of its planned new store locations for 2026. Gurnee Mills has indicated that the store is expected to open in late fall 2026.

The addition of IKEA brings another nationally recognized retailer to Gurnee and further strengthens the community's position as a major destination in Lake County and northern Illinois.

While the IKEA development is focused on Gurnee's commercial landscape, Evo Lawn & Landscape remains focused on the residential side of the community.

"Gurnee continues to attract new investment and attention, but homeowners still need dependable property maintenance close to home," said Gerry of Evo Lawn & Landscape. "The focus is on consistent service, clear communication, and properly maintained residential properties throughout the seasons."

Residential Lawn Care and Landscaping Services in Gurnee

Evo Lawn & Landscape provides residential lawn care, landscaping, and seasonal property maintenance services for homeowners throughout Gurnee, Illinois.

Services include:

- Weekly lawn mowing
- Weekly lawn maintenance
- Core aeration
- Lawn overseeding
- Lawn fertilization
- Lawn weed control
- Spring cleanups
- Fall cleanups
- Leaf removal
- Mulch installation
- Shrub and hedge trimming
- Residential snow removal
- Residential salting and ice management

The company focuses on recurring and seasonal services designed around the practical maintenance needs of residential properties in northern Illinois.

Weekly lawn mowing includes mowing, string trimming around areas the mower cannot reach, edging where applicable, and blowing grass clippings from paved surfaces after service.

Seasonal lawn services such as core aeration and overseeding are also available for lawns affected by soil compaction, thinning turf, and normal seasonal stress.

During winter, Evo Lawn & Landscape provides residential snow removal and salting services for qualifying properties in Gurnee. Winter services help maintain designated residential driveways, walkways, sidewalks, and other agreed upon surfaces during snow and ice events.

A Local Focus on Gurnee Property Maintenance

Evo Lawn & Landscape maintains a concentrated service presence in Gurnee to support efficient

scheduling and consistent residential property maintenance.

For Gurnee homeowners searching for lawn care, lawn mowing, landscaping, residential snow removal, or salting services, Evo Lawn & Landscape provides recurring and seasonal property maintenance throughout the year.

The company serves residential properties throughout Gurnee, including neighborhoods near Grand Avenue, Hunt Club Road, Washington Street, Gurnee Mills, and surrounding areas within the village.

Maintaining a strong local service presence allows Evo Lawn & Landscape to develop efficient routes and provide consistent service to Gurnee homeowners throughout changing northern Illinois seasons.

IKEA Gurnee Mills Expected in Late Fall 2026

The planned IKEA at Gurnee Mills represents another significant development for Gurnee.

IKEA U.S. identified Gurnee Mills as one of its planned U.S. store openings for 2026, while Gurnee Mills has indicated that the location is expected to open in late fall 2026.

The upcoming store adds to the established retail presence surrounding Gurnee Mills and Grand Avenue while bringing additional attention to the Gurnee community.

For local businesses such as Evo Lawn & Landscape, continued investment also highlights the residential community surrounding Gurnee's major commercial destinations.

Evo Lawn & Landscape is not affiliated with, sponsored by, endorsed by, or providing services for IKEA or Gurnee Mills. The planned IKEA opening is referenced solely as a current local development affecting the Gurnee community.

Year Round Residential Property Services

Weekly lawn mowing remains one of Evo Lawn & Landscape's primary residential services during the growing season.

Additional services include lawn fertilization, weed control, core aeration, overseeding, landscape bed weed removal, shrub and hedge trimming, mulch installation, spring cleanups, fall cleanups, and leaf removal.

As the seasons change, the company also provides residential snow removal and salting services for Gurnee homeowners.

This combination of lawn care, landscaping, and winter property maintenance allows homeowners to work with a local service provider for multiple seasonal property needs.
