

Kaitlynn K. Dwojewski, CNA, GNA, Recognized for Her Compassionate Commitment to Geriatric and Dementia Care

Advancing a Career in Nursing Through Patient-Centered Care, Lifelong Learning, and a Passion for Improving the Lives of Older Adults

Westminster, Maryland Aug 11, 2026 ([Issuewire.com](https://www.issuewire.com)) - Kaitlynn K. Dwojewski, CNA, GNA, is a dedicated Certified Nursing Assistant specializing in geriatric and dementia care. Since beginning her healthcare career in 2022, she has built a reputation for providing compassionate, respectful, and patient-centered care to older adults. Her commitment to serving vulnerable populations reflects both her strong work ethic and her genuine passion for making a meaningful difference in the lives of others.

Kaitlynn earned her Certified Nursing Assistant certification through the Carroll Community Tech Center in Carroll County while still attending high school, establishing the foundation for a career devoted to healthcare. She currently serves residents at Carroll Lutheran Village in Westminster, Maryland, where she has been a valued member of the care team since February 2023.

Working in long-term care has allowed Kaitlynn to develop expertise in dementia care, patient support, and effective communication while reinforcing the importance of empathy and human connection in delivering quality healthcare. She is committed to treating every resident with dignity, kindness, and respect, recognizing that personalized care begins with understanding each individual's unique needs and experiences.

Among the most rewarding aspects of her work is the opportunity to build meaningful relationships with residents and learn about their lives. Kaitlynn believes that listening to their stories not only strengthens the bond between caregiver and resident but also enriches her own perspective as a healthcare professional.

"What I love most about my job is helping people and learning about my residents," she says. "I really enjoy getting to know their histories and hearing about their lives before they came to us. I like learning about them and helping them, and hearing their stories is one of the best parts of what I do."

In addition to her CNA certification, Kaitlynn holds certifications in Geriatric Nursing Assistant (GNA), naloxone administration, and CPR, equipping her to respond confidently and effectively to a wide range of patient needs.

As a first-generation college student, Kaitlynn remains focused on advancing her education and expanding her opportunities within the nursing profession. After completing her nursing prerequisites, she plans to apply to nursing programs with the goal of becoming a registered nurse and eventually serving patients in a clinical setting.

A member of the Omicron Delta Kappa Honor Society, Kaitlynn attributes her success to hard work, perseverance, and a sincere desire to help others. She believes continuous learning and compassionate service are essential to becoming the kind of healthcare professional her patients deserve.

Through her dedication to lifelong learning, meaningful patient relationships, and excellence in geriatric care, Kaitlynn K. Dwojewski is building a promising future in nursing while making a lasting difference in the lives of the individuals and families she serves.
