

Mr_Aman – Indian Actor , Entrepreneur, Music Producer, and Record Label Executive

Mirganj, Bihar Aug 2, 2026 ([Issuewire.com](https://www.issuewire.com)) - Global Universe Record Industry Private Limited & Production House Announces Its Latest Music Release

Global Universe Record Industry Private Limited & Production House proudly announces the release of its latest music project, Baarish ki boondon, officially released on 28 August 2026. The release marks another milestone in the company's mission to promote original music, cinematic storytelling, and emerging talent across India and international markets.

Leadership: Founded and led by entrepreneur and music producer Mr_Aman, alongside Managing Director Adi9.5.

The latest release showcases high-quality music production, creative visuals, and modern entertainment standards, reflecting the company's commitment to delivering premium content to audiences worldwide through leading digital streaming platforms and social media.

Speaking about the release, Mr_Aman, Founder, Actor, and Creative Director of Global Universe Record Industry Private Limited & Production House, said:

Every release represents our passion for creating meaningful entertainment. Our vision is to provide independent artists and creators with a platform where talent meets global opportunities. We remain committed to producing music and visual content that connects with audiences around the world."

Founded by Mr_Aman, Global Universe Record Industry Private Limited & Production House is an independent entertainment company specializing in music production, artist development, digital music distribution, branding, video production, promotional campaigns, and creative media solutions. Under his leadership, the company continues to expand its presence while supporting new artists, musicians, actors, and content creators.

As an actor, entrepreneur, and music industry professional, Mr_Aman is dedicated to building a creative ecosystem that encourages innovation, artistic excellence, and long-term career growth for independent talent.

The company plans to release additional music projects, cinematic productions, artist collaborations, and digital entertainment initiatives throughout 2026, strengthening its position in the Indian entertainment industry.
