Nathaniel Conner: Combining Diverse Property Experience, Strategic Marketing, and Client-Focused Service to Help Buyers, Sellers, and Investors Achieve Their Real Estate Goals

Franklin, Tennessee Aug 14, 2026 ([Issuewire.com](https://www.Issuewire.com)) - Nathaniel “Brock” Conner is a REALTOR® with ConnerCo Realty, powered by eXp Realty, serving buyers, sellers, and investors throughout the Greater Memphis area, Fayette County, and surrounding Tennessee communities. With experience

spanning residential, luxury, farm and ranch, acreage, and equine properties, Brock offers clients a versatile perspective and a comprehensive understanding of today's real estate market.

Originally from Texas, Brock brings a strong background in sales, marketing, and business development to his real estate career. His diverse professional experience enables him to develop strategic solutions tailored to each client, whether they are purchasing their first home, searching for a luxury or country property, investing in real estate, or preparing a home for sale.

At the center of Brock's approach is a commitment to clear communication, integrity, and personalized attention. He takes the time to understand each client's priorities and long-term objectives, providing thoughtful guidance throughout every stage of the transaction. His strong negotiation abilities, combined with his knowledge of marketing and property presentation, help clients navigate the complexities of real estate while pursuing the best possible outcomes.

Brock believes that real estate is about far more than completing a transaction. For him, it is about helping people find a place where they can build their lives and create lasting memories.

"I don't sell houses; I sell homes. Whether you're looking for the perfect midtown setting, the calming comforts of suburbia, a country estate, a mansion on the hill, a charming cottage, or the dream equine property, I'm eager to get to know you and your family and help find the perfect home at every stage of life—just getting started, fulfilling your dream, or retiring and downsizing. Let's find the right place together," says Brock.

Beyond his professional work, Brock enjoys life in Rossville, just east of Collierville, where he lives with his daughter. Away from the real estate market, he can often be found outdoors gardening, gathering with neighbors, or spending time at the stables riding.

Through his combination of experience, market insight, negotiation expertise, and genuine commitment to his clients, Nathaniel "Brock" Conner continues to build lasting relationships throughout the Greater Memphis real estate community. Whether helping clients purchase, sell, or invest, he remains focused on delivering an experience defined by trust, professionalism, and exceptional service.
