

Oladunni Boladale, DNP, MSN, FPA, PMHNP-BC: Founder of Coded Healthcare and Behavioral Services, LLC

Doctoral-Prepared Psychiatric-Mental Health Nurse Practitioner Combines More Than Two Decades of Clinical Experience, Leadership, and Compassionate Care to Advance Mental Health and Improve Patient Outcomes

Boling Brook, Illinois Aug 6, 2026 ([Issuewire.com](https://www.issuewire.com)) - Oladunni Boladale, DNP, MSN, FPA, PMHNP-BC, is a doctoral-prepared Psychiatric-Mental Health Nurse Practitioner with more than 20 years of experience in nursing, behavioral health, psychiatric care, clinical leadership, and patient education.

Throughout her distinguished career, she has remained dedicated to delivering compassionate, evidence-based, and patient-centered mental healthcare to individuals across the lifespan. Her expertise in psychiatric assessment, diagnosis, medication management, and therapeutic communication has made her a trusted provider committed to improving the mental health and overall well-being of the patients and communities she serves.

As the Founder and provider of Coded Healthcare and Behavioral Services, LLC, with offices in Bolingbrook and Shorewood, Illinois, Dr. Boladale provides comprehensive psychiatric care tailored to each patient's unique needs. Her services include psychiatric evaluations, diagnostic assessments, individualized treatment planning, medication management, and ongoing monitoring of patient progress. She specializes in treating anxiety disorders, mood disorders, bipolar disorder, behavioral health conditions, and substance use disorders, while emphasizing a holistic approach that supports long-term recovery and emotional wellness.

Dr. Boladale believes that effective psychiatric care extends beyond symptom management. By fostering open communication, building trusting relationships, and collaborating with multidisciplinary healthcare teams, she helps patients develop personalized treatment strategies that promote stability, resilience, and improved quality of life.

Her commitment to behavioral health also includes serving as a psychiatric provider at Midway Turning Point Community Center, where she conducted comprehensive psychiatric assessments, managed treatment plans, and provided care for patients with diverse mental health needs. Through this role, she further strengthened her ability to deliver high-quality, evidence-based psychiatric services while addressing the unique challenges faced by underserved populations.

Equally passionate about developing future healthcare professionals, Dr. Boladale serves as a preceptor and mentor for advanced practice nursing students and allied health professionals. She is dedicated to sharing her clinical knowledge, leadership experience, and commitment to patient-centered care, helping prepare the next generation of providers to deliver compassionate, high-quality behavioral healthcare.

Dr. Boladale's impressive educational background reflects her dedication to professional excellence and lifelong learning. She earned her Doctor of Nursing Practice (DNP) in Executive and Leadership and her Master of Science in Nursing (MSN) with a specialization as a Psychiatric-Mental Health Nurse Practitioner from Walden University. She also holds a Bachelor of Science in Nursing from Governor State University and an Associate Degree in Nursing from Indiana Dabney University. Her advanced education has equipped her with expertise in psychiatric evaluations, psychopharmacology, evidence-based practice, and healthcare leadership.

She maintains several respected professional credentials, including Psychiatric-Mental Health Nurse Practitioner Board Certification (PMHNP-BC) through the American Nurses Credentialing Center (ANCC), Full Practice Authority (FPA) credentials, and Basic Life Support certification. These qualifications underscore her commitment to maintaining the highest standards of clinical practice while delivering safe, effective, and compassionate psychiatric care.

"What I enjoy most about my work is the opportunity to make a meaningful difference in my clients' lives. I value being able to support individuals through some of their most vulnerable moments and help guide them toward improved mental health and stability. I prioritize the welfare of my clients by being approachable, communicative, and thorough in my assessments, while providing evidence-based behavioral interventions and supportive therapy tailored to each individual's needs," says Dr. Boladale.

Through her leadership at Coded Healthcare and Behavioral Services, LLC, her dedication to clinical excellence, and her passion for mentoring future healthcare professionals, Dr. Oladunni Boladale continues to make a lasting impact in behavioral health. Her unwavering commitment to accessible, compassionate psychiatric care is helping individuals and families achieve greater emotional wellness while strengthening the future of mental healthcare.
